

Satie -- Gymnopédies & Gnossiennes (Alfred Masterwork Edition) By Murray Baylor **Satie -- Gymnopédies & gnossiennesjoint** Satie -- Gymnopédies & Gnossiennes (Alfred Masterwork Edition) Although this music can be downloaded for free on the internet I decided to buy it as it was such a good price I'm happy I did because the book is bigger than A4 making it much clearer It's also preferable to have it nicely bound rather than loose pages Romans américains I played Gymnopédie 1 from a different score before By comparison this one is awful Really poorly edited Real pain to play from You will be better off going to IMSLP and getting a selection of free versions to choose from instead Romans américains A good collection of standards Lots of space to improvise Some very good to play in style of Bill Evans Good value for money Romans américains Pleased to get this collection thank you Romans américains Clearly laid out music so easy on one's eyesight Romans américains

## **Satie -- Gymnopédies & gnossiennesjoint**

These two fascinating works are combined into one volume that includes an interesting biography background information on the writing of the music indispensable performance suggestions and a listing of recommended readings and recordings These two fascinating works are combined into one volume that includes an interesting biography background information on the writing of the music indispensable performance suggestions and a listing of recommended readings and recordings:

## **Satie -- Gymnopédies & gnossiennesjones**
