And an inspiring example of one individual's power to bring peace to a nation. Good information so I was able to make a good choice and I got exactly what I chose! Lenny Hort Great book. Highly recommend Lenny Hort I read this aloud with my two sons ages 8 and 9 over the course of two weeks: We thought it would be a nice addition to our homeschool in learning about South Africa, I think one would need to know about many of the players in South African political history to find this book engaging; however.

Well written: These books are perfect for either the classroom or the living room, Each title features a celebrated leader who has impacted our world in a big way from important politicians to inspiring civil rights leaders great entertainers to groundbreaking artists: These men and women come from a diverse range of nationalities and generations but all have played a crucial role in shaping our society: DK Biographies gain momentum from detail delving into the small things childhood hobbies little known fears hidden strengths that make a person great: Most importantly they encourage young readers to be curious about the world and those who have influenced it, Nelson Mandela was the first black president of South Africa and spent 27 years in prison in his fight against apartheid. His life is a shocking stunning and heroic story of the struggle for freedom in a divided society I think if you had that background this book might be too simple: I'm not sure who would be the best audience for this book but it did provide us with useful information: I wouldn't picture using this book again or recommending it to others as a must read maybe just a lukewarm it's okay but who wants that as a recommendation? Lenny Hort.

. Supports the Common Core State Standards. Such a complex man. Good to see his story told for this younger generation. We must never forget his fight for freedom. Lenny Hort Good price for something that I wanted. The material was a little inaccessible. Easy to read. Factual. This book is so interesting I will give to my. 6 year old grandson
