

Discover Germany 2ed Anglais By Lonely Planet Well laid out and excellent recommendations as only Lonely Planet Guides can give!! class=a span9 a align center prodDetSectionEntry> 400 pages Brings together details in a coherent fashion. One can then go online and expand search class=a span9 a align center prodDetSectionEntry> 400 pages Of the several books we took on a recent road trip to Germany this proved the most useful. Using its suggestions for the highlights of the region we spent 3 very enjoyable and informative weeks driving from Frankfurt to places including Nuremberg Rothenburg ob der Tauber Regensburg the Ludwig Castle area and Berchtesgaden. The sight seeing hotel and restaurant suggestions were right on and we had a perfect 5 star trip! class=a span9 a align center prodDetSectionEntry> 400 pages Very Quick Shipping great item class=a span9 a align center prodDetSectionEntry> 400 pages wenn man ins Ausland fährt und ein Mitbringsel sucht für die Gastgeber. class=a span9 a align center prodDetSectionEntry> 400 pages Un guide tout en couleurs illustré par des centaines de photos pour découvrir le meilleur de l'Allemagne Expanded coverage of key regions including Bavaria the Black Forest and the Rhineland Focus on the destinations the first time traveller is most likely to visit Hundreds of colour photos Pull out map of Berlin Berlin saw an 8.

Has all the information we need for our holiday. It was our first road trip in Bavaria and as 'virgin' tourists to the area we used this book to choose our itinerary, Die Informationen erstrecken sich wirklich über ganz Deutschland nicht nur Hofbräuhaus und Rothenburg ob der Tauber nein Deutschland ist mehr und das zeigt dieses Buch ganz prima: Viele nette Details über uns macht Spaß drin zu blättern und viele tolle Bilder, 2% increase in overseas visitors in the first half of 2011 on the same period in 2010 Discover Germany 2ed Anglais.
