

The Plantagenet Chronicles By Elizabeth Hallam **Book The Plantagenet chronicles magazine**
The Plantagenet Chronicles This is quite a slog to get through since it is the contemporary chronicles of the English kings from 1128 to 1216 (the end of the disastrous John) and those chronicles are hagiography or its opposite. **Book The Plantagenet chronicles magazine** A PLANTAGENET never forgets! 1555840183 Thank you.

Book The Plantagenet chronicles magazine

If my house was burning down and I could save let's say two books from the fire I would choose this book as well as Hallam's Four Gothic Kings: The Turbulent History of Medieval England and the Plantagenet Kings. **Kindle The Plantagenet chronicles 15:7** 1555840183 From the Introduction: The foundations of Plantagenet success were laid by a line of obscure castellans in the Loire Valley who in the tenth century rose to become counts of Anjou. **Book The Plantagenet chronicles magazine** Opening: Part1: ORIGINS OF THE ANGEVIN DYNASTY: The fortunes of the house of Anjou were founded on the prowess of Ingelgar a semi-legendary soldier of fortune who carved out an estate for himself in the Loire Valley. **Book The Plantagenet chronicles magazine** When I had three Billy's for Christmas with the accompanying order to 'fill 'em up' I felt that I wanted somewhere to have reference books open so Dear M made a lectern in one of the shelves. **Book The Plantagenet chronicles magazine** Scumptilious fun! 1555840183 PopSugar Reading Challenge 2020: A book on a subject you know nothing about So the conversation went like this: Me: Muuum can I use this book on politics for a subject I know nothing about? I don't know MUCH about politics. **Kindle The Plantagenet chronicles 15:7** I mean it would be difficult to think of a subject you know NOTHING about because then how would you know about the subject? *turns head 180 degrees to parents' bookshelf* Me: What's a Plantagenet? And that's how I came to read this excellent book about the Plantagenets. **The Plantagenet Chronicles pdf editor** Hugh of Lincoln (best mates with a swan upset the local monks by putting Mary Magdalene's hand bones in his mouth (!) kings just couldn't stay mad at him because he was such a card) and my fave Chronicler was Gerald of Wales (gossipy and good fun). **Book The Plantagenet chronicles magazine** watched moves in high school that attempted to explain who they were and then I began reading Philippa Gregory's books to explore the historical fiction side and determine what interesting facts I could learn about them. **The Plantagenet Chronicles pdf editor** Feudal states with duchies and provinces ran themselves and collectively they might've been known as France but they could be controlled by English kings (who were German or French etc. **Kindle The Plantagenet chronicles 15:7** I would've liked more bulleted sections short facts rather than lengthy paragraphs at times just to aide in memory and sorting out the details but it was still a remarkable read. **The Plantagenet Chronicles epub file** 1555840183 MEDIEVAL EUROPE'S MOST TEMPESTUOUS FAMILY FROM HENRY II AND HIS WIFE ELEANOR OF AQUITAINE TO RICHARD THE LIONHEART AND HIS SCHEMING BROTHER JOHN SEEN THROUGH THE EYES OF THEIR CONTEMPORARIES From the book's dustjacket. **The Plantagenet Chronicles pdf editor** John 1199-1216 So the book is not by any means a complete story of the Plantagenets who ruled England for over 300 years: from Henry II

(1154) through the death of Richard III in 1485; including the famous years of both the Hundred Years War (1337 to 1453) and the Wars of the Roses (1455 to 1487) neither of which are included years. **History The Plantagenet chronicles mag** Maps (eleven of them); a two page family tree of the Kings of England and France showing the houses of Norman Angevin Blois Capet Aquitaine & Plantagenet starting with William I the Conqueror (1066-1087) down through Edward I (1272-1307); an Introduction by the editor in which she talks about the various chronicles used in the book; Glossary Bibliography (ten pages divided into the sections Politics Law and Finance; Ecclesiastical; Social and Economic; Art Music and Literature; Crusades and Warfare; & Bibliographies Atlases and Reference Works. **Book The Plantagenet chronicles magazine**); a list of the Chronicles used in each of the five Parts; Index; and a couple pages called Manuscripts which indicates exactly where all the historical illustrations in the book (not the modern photographs) come from. **The Plantagenet Chronicles epub file** These chronicles have been translated into modern English even if they were written in "English" of medieval times - so they are very easy to read and repetitious or "boring" material has been excised. **The Plantagenet Chronicles kindle direct** (Note: in these photos click once to get to Flickr; click a second time to enlarge; then move (without clicking) the mouse within the photo to explore it in the enlarged version. **History The Plantagenet chronicles mag** The troubled lionThe Massacre of the JewsPhilip AugustusThe long arm of kingshipThe Sicilian connectionThe alternative queenTravellers' talesThe web of German politicsA king's ransomPoets and patronsThe tournamentThe market places of EuropeOmens and apparitionsParisThe Plantagenet harvestPoetry and romanceAccounting for EnglandChateau Gaillard: Richard's 'fair daughter'The Angevin abbeyThe greatness of valourThe notes are almost all illustrated sometimes with a modern photograph sometimes with an old drawing or painting from a manuscript. **Book The Plantagenet chronicles magazine** Pierpont Morgan Library New York MS 638)"The book is quite fun to just page through the infamous Plantagenet family can claim descent from the daughter of Satan Melusine; a witch who could not bear to hear Mass. **EPub The Plantagenet chronicles 15:7** Its safe to say that the rampant betrayals murders rebellions and sheer daredevil nature of the earliest Plantagenet monarchs cemented this image of a power-mad and ruthless clan devoted to authority above all else. **Book The Plantagenet chronicles magazine** What a bad-ass family of kings crusaders murderers adulterers and all round BASTARDS! The fights this family got into! Fucking glorious! No doubt you've deduced that I'm actually a rather enthusiastic fan of the Plantagenets. **Book The Plantagenet chronicles magazine** Lets move onto the book shall we?The Plantagenet Chronicles is an excellent and well informed sourcebook all about the rise of the Plantagenet family their ancestors from Anjou and how the family members were influenced and interacted with their lands and subjects. **The Plantagenet Chronicles ebook reader** Using a balanced mixture of translated contemporary chronicles and letters alongside short introductory essays written by medieval historians I would describe the Plantagenet Chronicles as an insightful and enjoyable introduction into the world of the early Middle Ages and the rulers who wielded such ridiculously vast power and influence over so many lives. **Book The Plantagenet chronicles magazine** PART II Geoffrey Plantagenet 1128-1154 -the father of the Henry II the first Plantagenet monarch and the role that he and his wife Matilda played in gaining Henry the Crown of England. **Book The Plantagenet chronicles 9** PART III Henry II 1154-1189-(My absolute favourite English king) the reign of Henry II his fractious relations with his wife and sons and how he governed over England Maine Anjou Normandy Brittany and Aquitaine. **Book The Plantagenet chronicles narnia** PART IV Richard I 1189-1199-The Coeur de Lion how he went on the Third Crusade left his mother Eleanor in charge of England fought against the French King Phillip II and was captured and ransomed by the German Emperor Henry VI. **EPub The Plantagenet chronicles 15:7** PART V John 1199-1216-How John got the throne instead of his nephew Arthur his loss of Normandy Anjou and Maine to the French king his signing of the Magna Carta in 1215 and why Prince Louis of France invaded England. **The Plantagenet Chronicles ebook reader** Accompanied by beautiful medieval pictures of daily peasant life religious portraits detailed maps of Plantagenet territory and breath-taking pictures of ruined castles and fortresses the Plantagenet Chronicles is

lavishly illustrated and the various trials triumphs and disasters of the Plantagenet beginnings are told clearly with no academic dryness. **History The Plantagenet chronicles mag** An incredibly helpful introduction in understanding the Plantagenets as monarchs their overall importance to English and French history and why they deserve to be remembered to the present day. **The Plantagenet Chronicles epub file** Not only does this book go into detail about the earliest Plantagenets it also describes women in early medieval society agriculture the prestige of the Roman Catholic Church the relentless appetites for crusades in the Middle East the Magna Carta coinage the Royal Forest whether Robin Hood was fact or fable astrology and prophecy the Anarchy in England Bettie! Looks luscious. **Book The Plantagenet chronicles magazine** 1555840183 This is an excellent sourcebook! Not only does it tell the story with appropriate timelines of the family it also places them firmly within the culture of the middle ages, And of course the old narratives of these medieval times are fascinating: **Book The Plantagenet chronicles magazine** 1555840183 Lavish illustrations and explanatory texts bring to life the time when the Plantagenets reigned from the borders of Scotland to the Pyrenees. **Book The Plantagenet chronicles magazine** The break-out pages provide some very useful contexts on various aspects of the period: **Kindle The Plantagenet chronicles 15:7** 1555840183 From the Devil they came and to the Devil they will return, **The Plantagenet Chronicles kindle direct** According to legend.

History The Plantagenet chronicles mag

The trouble over in Wales and why Eleanor of Aquitaine was a magnificent Queen of both England AND France: **Book The Plantagenet chronicles magazine** I would completely recommend this book if anyone wanted to know more about medieval society in its proper historical context, **Book The Plantagenet chronicles magazine** That being said this is a very broad introduction and cannot in fairness delve too deeply into particular issues, **Book The Plantagenet chronicles magazine** The bibliography in the back can be very helpful in further reading: **Book The Plantagenet chronicles magazine** FYI the loss of the ancestral French homelands under John's reign lead (indirectly) to the Hundred years War between England and France in the 14th century under King Edward III. **The Plantagenet Chronicles kindle direct** I simply cherish these books which I discovered completely accidentally at a used book sale, **EPub The Plantagenet chronicles 15:7** This book is a mixture of contemporary accounts of the times modern asides and gorgeous photography of the locations buildings and artwork of the period: **Book The Plantagenet chronicles magazine** Although some of the contemporary accounts drag with King A captured castle X and King B captured castle Y there are enough fascinating asides to hold your interest. **Kindle The Plantagenet chronicles 15:7** For example Fish of an unusual appearance were caught in England, **History The Plantagenet chronicles mag** It was as if they were helmeted and carrying shields and they looked extremely like an army of knights though they were much more numerous, **The Plantagenet Chronicles ebook reader** His son Fulk the Red built effectively on his foundations and became count of Anjou by 941, **The Plantagenet Chronicles booker** There the stage is set to continue through this coffee-table weight tome of maps history illustrations and photographs some of which are of double page spread dimensions. **The Plantagenet Chronicles pdf editor** This book has been there for months a page read and turned everytime I walked past, **EPub The Plantagenet chronicles 15:7** The Plantagenet Chronicles exudes more than a little Game of Thrones and I learned loads. **The Plantagenet Chronicles kindle direct** I really enjoyed it and want to find out what happened next, **Book The Plantagenet chronicles magazine** 1555840183 For years I've loved learning about this complex and ruthless family. **Book The Plantagenet chronicles magazine** A pre-cursor to Henry VIII the king most people have heard of (6 wives beheadings and divorces!) his ancestors formed a lot of modern England's laws and religious wars, **Book The Plantagenet chronicles magazine** I became so fascinated that I asked for books about them a decade ago, **Book The Plantagenet chronicles mag** I leafed through it a bunch back then but I never read it cover to cover: **Book The Plantagenet chronicles magazine**

It's about the writing style the organization of the details what's covered and not covered: **The Plantagenet Chronicles kindle direct** All in all this is a great companion book when you're reading historical fiction and can't recall every single relationship: **The Plantagenet Chronicles booker** What I liked about this one is how it broke down the history into manageable chunks focusing on the period in history then the specific kings and queens who ruled them. **The Plantagenet Chronicles kindle direct** It didn't cover all the Plantagenets only the more well-known ones and it stopped too early for me as descendants turned into Tudors Lancasters Yorks etc: **Book The Plantagenet chronicles magazine** I liked the pictures family trees and maps to show what land England covered at the time of each king or queen's rule. **The Plantagenet Chronicles booker** I didn't realize how powerful Eleanor of Aquitaine was nor did I know where in France England had territories. **Kindle The Plantagenet chronicles 15:7** What finally clicked in my head this time was that 'France' didn't necessarily exist at that time: **History The Plantagenet chronicles mag** Each of the five parts is comprised of a narrative; what the editor calls "notes"; and numerous illustrations and photographs many in color, **Book The Plantagenet chronicles magazine** The narrative is presented directly from the (edited) chronicles all of which were written pretty much contemporaneously with the persons and events written about, **Book The Plantagenet chronicles magazine** The narrative parts of the book are separated from the rest by being stuck in attractive boxes and printed on a light yellow background. **History The Plantagenet chronicles mag**) The yellow color doesn't show up here but you can see the "box" outline on the left. **History The Plantagenet chronicles mag** These are notes from the translator or editor and are the way that the reader knows which chronicle is being used here. **Book The Plantagenet chronicles magazine** Prior to the italics is from Henry of Huntingdon The History of the English; following the italics is from The Deeds of Steven written by an unknown chronicler. **Book The Plantagenet chronicles magazine** (Additional information about the chronicles used is provided by the editor in her Introduction, **The Plantagenet Chronicles booker**)The "notes" are actually what I would call sidebar information: **Book The Plantagenet chronicles magazine** They generally don't provide more information about the subject of the chronicle narration. **The Plantagenet Chronicles book** Rather they are ancillary information providing a background or historical context to what is going on in the narrative. **EPub The Plantagenet chronicles 15:7** There are a great many of these notes all detailed in the table of contents. **Kindle The Plantagenet chronicles 15:7** The actual count: Part I - 8; Part II - 15; Part III - 38; Part IV - 20; Part V - 22 Here the list from Part IV on Richard I, **Book The Plantagenet chronicles magazine** This is the facing page of the narrative above from Part II: **The Plantagenet Chronicles epub file** The illustrations here (neither are in color) are obviously from medieval sources: **Book The Plantagenet chronicles magazine 7)**; and at the bottom "Seal of King Steven: second seal used in 1137-39: **Book The Plantagenet chronicles 9** (Private collection)"Here's another note from Part V on King John: **Kindle The Plantagenet chronicles 15:7** This one actually occupies a page and a half starting on the page prior to the one pictured: **History The Plantagenet chronicles mag** The Plantagenets have gone down in history as the longest ruling dynasty of England but also as its most bloodiest and warlike. **Book The Plantagenet chronicles definition** Broad expansive and chocked full of interesting historical facts the Plantagenet Chronicles is the perfect coffee table book, **Book The Plantagenet chronicles magazine** Split into five sectionsPART I The Origins of the Angevin dynasty -Who the ancestors of the Plantagenets were and their importance. **The Plantagenet Chronicles pdf editor** Usually I find boxes of text separate from the main thread irritating but here it worked so well: **Kindle The Plantagenet chronicles 15:7** 1555840183 Really enjoy these larger size books and this one has some brilliant colour photographs, **Book The Plantagenet chronicles magazine** Too wide a subject area to delve deep but a good intro to the Plantagenets[1]

Reading what looks interesting. Full-color illustrations. That makes it a great review of primary sources. They say that an elephant never forgets. Fuck that. Mum: I guess so. My favourite historical character was St. I read about them in Shakespeare's plays. I received this one as a gift. Now I

have. It's hard to review a non-fiction book. You can't talk through your feelings about the people, but it's so much to cover I get it. It offered a lot, because of all the intermarriages). The book has five sections: Part I. Origins of the Angevin Dynasty Part II. Geoffrey Plantagenet 1128-1154 Part III. Henry II 1154-1189 Part IV. Richard I 1189-1199 Part V. There's a lot of stuff in here. Also note in the lower left corner the words in italics. There are two chronicles used on this page. Usually these notes occupy a full page sometimes more. In the Manuscripts section we find the illustrations described. The one at the top "King Steven holding a falcon. (Matthew Paris: Historia Major English c.1240. British Library London MS Roy.20AII f. 9.5 cm in diameter. The title of the note is The hollow victory: Mirebeau. The illustration is described "A battle. (The Maciejowski Psalter French 14th century. The Plantagenets are IMHO fucking awesome. Invaluable. 1555840183.
