

The Somebody Obsession: A Nobody's Desperate Journey to Stardom By Matt Murphy **The Somebody Obsession ebook** Murphy's childhood seemed unbelievable at times I have a bit of a soft spot for wrestling books (I still say Jericho's first book is one of the best autobiographies ever written) and this one is a really good look into the life of a man who dreamed big and didn't make it. **The Somebody Obsession ebook** The second half was interesting to me as a wrestling fan though someone who isn't would still be interested in it I think because it never gets too technical and his writing style is easy to follow. **The Somebody Obsession ebook** Highly recommended :) 266 Having read most wrestling books that have come out over the last 10 years or so I can safely say this one is up there with the best of them. **Book The Somebody obsession synonym** In my autobiography THE SOMEBODY OBSESSION: A NOBODY'S DESPERATE JOURNEY TO STARDOM I reveal how I overcame an impoverished troubled childhood to live my lifelong dream of becoming a professional wrestler. **The somebody obsession 2018 tv book** While self-medicating the scars of my tormented youth with sex booze and wrestling I reached for the stars and could feel them at my fingertips before my amazing ride crashed to an abrupt end. **The Somebody Obsession epub air** In my autobiography THE SOMEBODY OBSESSION: A NOBODY'S DESPERATE JOURNEY TO STARDOM I reveal how I overcame an impoverished troubled childhood to live my lifelong dream of becoming a professional wrestler. **The somebody obsession question** While self-medicating the scars of my tormented youth with sex booze and wrestling I reached for the stars and could feel them at my fingertips before my amazing ride crashed to an abrupt end, I would recommend this book to anyone looking to start on the Indy wrestling scene as it shows a glimpse into the the trials and tribulations one may experience. **The Somebody Obsession ebook3000** 266 I received this book as part of Goodreads First Reads program: **The Somebody Obsession booker** Matt doesn't hold back in his storytelling and you get a pretty good feel for what the main players like Matt and Harvey were really like, **The somebody obsession book** For me the most interesting part of Matt's story was the beginning and the end. **The somebody obsessionl lyrics english** I'm sure however if you're a hardcore wrestling fan you would definitely appreciate all the name dropping that Matt does in his story: **The Somebody obsessionist** I thought the ending was especially powerful in how Matt didn't need wrestling in his life anymore and that he found other things that were just as rewarding, **The somebody obsession question** I would recommend this book to anyone who wants a good autobiography and is semi interested in wrestling. **The somebody obsession book pdf** The content is a bit mature and Matt goes enough into the details of the wrestling business that it could potentially disillusion a kid's enjoyment of wrestling, **Book the somebody obsession pdf** It would be similar to telling them that there is no Santa Claus or Easter Bunny: **The somebody obsession 2018 tv book** 266 As a life long fan of wrestling.

As did his young adulthood escapades. Matt Murphy's autobiography was a very engaging book. The wrestling while interesting didn't hold as much appeal. I definitely would not recommend this for a kid however. Even non wrestling fans will enjoy this book. With a few pages I was hooked. 266 I loved this book. I finished it in one day. Accidently put this review on kindle edition sorry. But this was really good. I have always enjoyed Self-Published Sunday. Matt Murphy basically holds nothing back. It makes for some very compelling reading. We too have a story to tell. It sticks with you for a while. Have a great day. <http://www.gelatisscoop.blogspot>. We too have a story to tell. You don't need to be a wrestling fan to enjoy it
