I write novels about sexy powerful men and independent minded women and what happens when they find each other and fall in love. **More than a mistress mary balogh kindle** It really made me detest him and men in the real world who are like him! Now the heroine actually believed that this behavior was politically correct and shows interest in him. **More Than a mistressnode** What I can't buy is how later in the book when Travis is trying to convince Alexandra to get her kink on in the bedroom she admits to feeling uncomfortable because her ex' had always told her it wasn't ladylike to do certain sexual things. **Male equivalent of a mistress** Did the ex' dump Alexandra because she was frigid or did he keep her frigid on purpose??!?!?The book manages to earn three stars because Alexandra eventually gets her act together and stands up to the hero treating her like a disposable girlfriend but this definitely isn't something I'm ever going to pick up again. **More Than a mistressnoot** The vindictive ex and the ex BFF then spread it all about that the h was a frigid spoilt rich witch and the h happens to overhear two other socialite women repeating that remark at a charity event. **More than a mistress mary balogh kindle** Then the H decides that he needs to force a lurve club event on the h because how dare she buy him be groped by him and then leave him hanging without a public banging. **More Than a mistressville lyrics** This leads to 9 chapters of the h being subjected to misogynistic tart shaming from the H-- when he isn't teaching the h to drive a high powered sports car and instigating all sorts of lurve club events. **More than a mistress mary balogh kindle** SM finally realizes that she is going to have to do some major last minute rehab of the H's character because aside from giving the h some purple passion climactic moments this H is as abusive as the h's slime slurping ex-husband. **More Than a mistressql** Using the patented Penny Jordan Sponging ® techniques the H spends five days demonstrating his caring side and soothing wiping techniques upon the h who is falling in love with the H. **More Than a mistressql** but will she be his mistress? Surely Travis Baron is a man for whom any woman would want to bid! Blisteringly handsome and immensely successful the corporate lawyer is the possible heir to Espada his father's sprawling ranch -- and he's up for grabs at a charity auction. **Male form of a mistress** and then just walked away? Travis is determined to pursue the lady who bought him and exact his own price! THE BARONS -- FOUR BROTHERS: BONDED BY INHERITANCE BATTLING FOR LOVE! More Than a Mistress (The Barons #2).

I've been a writer one way or another all my life, **More than a mistress mary balogh kindle** Before I could read I made up poems and my mom wrote them down for me: **Mistress more and more often** In elementary school my teachers almost always let me write poems or stories instead of requiring me to do art projects. **More Than a mistressville lyrics** My books are sexy and romantic and they've very often full of romantic suspense: **More Than a mistressql** I write the kinds of books I love to read and I hope that makes my readers happy, **Male equivalent of a mistress** Before I could read I made up poems and my mom wrote them down for me: **More than a mistress mary balogh kindle** In elementary school my teachers almost always let me write poems or stories instead of requiring me to do art projects. **More Than a mistressnode** My books are sexy and romantic and they've very often full of romantic suspense: **Male form of a mistress** I write the kinds of books I love to read and I hope that makes my readers happy: **Female version of mistress** {site\_link}

1/3 stars 0373120451 I've read this way back but decided to try again last night, **More than a mistress mary balogh kindle** I must say I like it better now maybe because I'm more mature and can relate more (I think I was in high school when I first read this LOL). **More Than a mistressnoot** 0373120451 Once again I was annoyed first by the first novel of The Baron series and second by the second book: **Male equivalent of a mistress** I almost want to give up and throw in the towel on this series. **More Than a mistressql** I've read a few books out of the series which I haven't reviewed yet and found them lacking, **More than a mistress mary balogh kindle** The hero annoyed me to no end he seemed to think that because he was a Baron and heroine was a woman that she would want him and fall into his bed easily. **More than a mistress mary balogh kindle** \*barfs\* I wasn't amused! 0373120451 This book has one of my least favorite kinds of heroes: **More than a mistress mary balogh kindle** The guy who takes one look at the beautiful heroine and is certain that she desires him as much as he desires her, **More than a mistress mary balogh kindle** Given his certainty about her interest in him sexually he begins throwing out the most god\_awesome pick-up lines. **More than a mistress mary balogh kindle** And I promise you we'll satisfy our needs before the night ends, **More than a mistress mary balogh kindle** " Instead of the heroine being turned-off or freaked-out or just amused by such obnoxiousness she is actually turned-on. **More than a mistress mary balogh kindle** PLEASE!!!My second problem with this book is the way it portrays the heroine's ex-husband: **More Than a mistressnoot** He of course informed his new wife of this and she promptly spread the news around the social circles that Alexandra inhabits, **More Than a mistressville lyrics** I can buy this as a legitimate plot device to send the heroine to bachelor auction looking for a stud, **More than a mistress mary balogh kindle** 0373120451 Re More Than a Mistress - Sandra Marton continues her Baron's series this one features the oldest misogynist Baron scion and a his pursuit of a socialite h. **More than a mistress mary balogh kindle** If you like the old school little lady type chauvinistic H's of the 1970's this will be right up your alley: **Female version of mistress** The h is a divorced heiress whose controlling and patronizing father married her off to an emotionally abusive sadistic bully: **More than a mistress mary balogh kindle** When the h found her husband in bed with her supposed BFF she finally had a reason for divorce and kicked him to the curb ASAP: **More Than a mistressville lyrics** This spurs the h into glamming herself up and placing the winning bid on the H at a charity bachelor auction, **More than a mistress mary balogh kindle** The H kinda got conned into participating but his giant ego is expanded even further when the h pays \$20000 for him, **More Than a mistressnoot** The H and every other character in the story assumes the h is paying for the H to demonstrate his well known lady luring skillz. **More Than a mistressql** But after the h and H have a semi-public gropey roofie kissing moment and some sharp words about public decency the embarrassed h pulls herself together and then leaves, **More than a mistress mary balogh kindle** There is a bunch of sexist and patronizing H thoughts while the h is ashamed of herself for acting like a tart. **More than a mistress mary balogh kindle** The H shows up at the h's house forces his way inside and the assaults her - only SM passes it off as eventual mutual forced seduction, **More Than a mistressnood** There is more sequel baiting at the H's father's big party where we see glimpses of the other brother's story lines, **More than a mistress mary balogh kindle** So SM pulls out the big guns and has the h become very ill with flu: **More Than a mistressnoot** The h is finally comfortable

sleeping with the H and thinks they are having a mutual relationship. **More Than a mistressville lyrics** Until the H tells his brother the h is only a bit more than a mistress and the h overhears and dumps him. **More than a mistress mary balogh kindle** The h goes off to her vineyard that the H was supposed to buy for his father to have herself an unrequited love mopey moment: **More Than a mistressql** The H chases after in the middle of a bad storm and when he gets to the h's he again forces his way in, **More Than a mistressnood** But this time the H declares he loves the h and he wants to marry her the h declares her love back and agrees to be married, **More than a mistress mary balogh kindle** We leave the two of them happy and keeping the vineyard for their soon to be family while we await the next Baron brother slated for HP bliss and the big HEA: **More Than a mistressql** This book was just a Typhoon of Tackiness and I totally wasn't feelin' the love, **More than a mistress mary balogh kindle** But to be fair I don't like most SM HP voyages anyways: **More Than a mistressql** If you like the old skool semi cruel domineering H this will be right in your wheelhouse: **Male form of a mistress** The HEA is believable enough and it was a very nice job of H Redemptive Sponging™ to get to the end of a mediocre HPlandia outing: **More Than a mistressville lyrics** 0373120451 Miniseries: The Barons 0373120451 Travis and Alex are one magnetic pair though somewhere i could not understand why she was continuously denying the attraction between the both, **More than a mistress mary balogh kindle** But when Alexandra Thorpe wins Travis for the weekend she doesn't claim her prize. **More Than a mistressville lyrics** Why has the cool blond beauty staked thousands of dollars on Travis. I've been a writer one way or another all my life. Things like "You need me and I need you. Apparently they split up because she was frigid in bed. This seems like a raging contradiction to me. This book is very non-pc. I also had to frown upon the forced seduction events. Completed in one day! 0373120451 He is her prize
