Sure. But you also get some seriously swoony moments as well.☑ ☑☑☑☑☑☑☑☑☑: Easy. I love the vibe of this paranormal romance. I mean but nice to read. The dirty talk is really enjoyable. But for a debut novel these are easily remedied. I enjoyed it so much. I love Cliona and Patrick. They complimented each other to every detail imaginable. Resurrecting The Witch was an excellent read. I am so glad I read this. Cliona is so strong and she has no idea. He could be an axe murderer for all I knew. So I ran like I always do. I ran from the table and straight into my date's arms. I didn't need help finding someone. I woke up from my own bloody grave six months ago. My date who had long and thick raven-colored hair. My date who smelled like patchouli and rain. I think this book is going to become my go-to reread. Summary : This is the first book in the series. Cliona is anxiously awaiting the arrival of her blind date. Her pals will undoubtedly kill her if she flees now. That is until he collides with his escape date. It focuses on a witch and a zombie i.e. Cliona and Patrick's romance. Along with a lot of unpredictable twists. I adored the development arc given to both of them. Romance : I adored Ciona and Patrick's chemistry. I received an ARC of this book for my honest review. Kindle Edition I love Zombies. I love Rom Com. I really love #ZomRomCom. Blind date with a zombie? Yes please. •Mi opinión puede contener Spoilers. Podría ser un asesino con hacha por lo que sabía. Así que corrí como siempre lo hago. No necesité ayuda para encontrar a alguien. Desperté de mi propia maldita tumba hace seis meses. Mi cita que olía a pachulí y lluvia. Seguro sus historias vendrán en futuros libros. No le falta el humor y la acción tampoco. La verdad lo disfruté de principio a fin. Kindle Edition I must be solidly in my monster era. Probably because he's her fated

mate. All in all I enjoyed this read!!! Kindle Edition.
