Action-Packed Adventure Mystery the fourth book in the Kitty Castle series is packed with action! Tricky dragons unstable volcanoes flying cats and raining slippers make this book for young readers a real page-turner! Underlying all the excitement are the important unspoken themes of bravery and loyalty and family love. **Mysteries published in 2023** Kindle Edition Mystery- a great mystery story with children cats and dragons! I liked this story with the cats -like Nightcat and his dad able to talk for themselves as well as the children and the adventures that they all went through as a mystery story and how they were able to overcome the dragons so I am giving this ebook five stars for such a great story with adventures mystery and with the children and cats were able to be the star characters here! I therefore really recommend this ebook for children or for those who have childlike minds who enjoy reading sweet lovable stories like this one! I received this ebook for free and have given it an honest review! Super work authors Celesta and Keziah! By Angela Kindle Edition In this fourth book of the Kitty Castle adventure series the children try to find out where the dragons live. **Ebooks mystery and suspense** Mystery (Kitty Castle #4) I live in Steinbach Manitoba Manitoba MB Dragon Fire Other Fantasy Short Stories Sci Fi Short Stories New Fairy Tales Sci Fi Short Stories Science Fiction Short Stories Apocalyptic and Dystopian Tales Dystopian Sci Fi Short Stories Please Fix My Marriage (non fiction) {site_link}
