The stories and the social commentary had more substance than the usual bodice-ripper. **Book Brooklyn lovers** Reflecting on the fact that I adored the Faye Kellerman series about Rina Lazarus and Peter Decker with Rina's Jewish practice.

Three Orthodox Jewish women who are caught between crushing guilt of defying their mothers and their desire to be "normal" are there for each other as they try to figure out who they really are ... and what they really want. **Brooklyn lovegame lyrics** " Review: I was given a copy of Brooklyn Love from the author for Say what? Savannah Mae book blog! When I started to read this book I was unsure how I thought the book was going to go. **Brooklyn lovejoy school district** To be sure I read a lot of books about Jews and their plight in history (Anne Frank The Zookeeper's Wife The Giver Sarah's Key I am Forbidden) but Brooklyn Love by Yael Levy is a tale of 3 young Jewish women on a quest to get married; a book that I didn't think existed. **Book Brooklyn love's** What family doesn't enjoy eating a yummy family dinner together? An interesting note about the characters in this story is that many of them were wealthy and dressed very fashionably as the young lady on the left. **Brooklyn Love booklet** There wasn't a huge sense of place in the Brooklyn neighborhoods of Flatbush and Borough Park as there was a feel for the Jews that inhabit them with a post-traumatic Holocaust survivor weary of dark Jews and a lot of emphasis on wearing the right clothes going to the right yeshiva and having the right family background. **Kindle Brooklyn love** Although I grew up in a Jewish home I was curious about the Jewish Orthodox culture and how individuals respect practice and tolerate numerous rules that I personally would never appreciate practicing personally. **Brooklyn lovegrove** Yael Levy did a great job making those characters come to life! I appreciated the way characters also progressed and grew in their self confidence and interpretation of how they should approach life. **Brooklyn Love kindle app** I wondered over and over whether this book is truly a YA Romance- I think now that it is wonderful for 11th/12th graders not quite positive if I would be comfortable with any younger readers enjoying the book. **PDF Brooklyn love** How long can she keep saying no when her heart says yes? And will she be able to stick to her values amidst temptation? Leah wants to be a doctor but her mother insists she study computers even though she hates computers. **Brooklyn love jay z** What will it take for Leah to break out of her mom's—and community's—expectations and follow her dreams? In Brooklyn Love three Orthodox Jewish women who are caught between crushing guilt of defying their mothers and their desire to be "normal" are there for each other as they try to figure out who they really are ... and what they really want. **EPub Brooklyn love's** Yael Levy's debut romance is enlightening as well as entertaining but leaves just enough room to be authentic! ## **EPub Brooklyn lovesac**

Many women love a good romance story, **Brooklyn lovell** I can occasionally be found reading a juicy chick lit novel especially during the summer when I want to relax, **Book Brooklyn lovenox** Never in my wildest imaginations would I envision myself reading an Orthodox Jewish love story. **Book Brooklyn love** Brooklyn Love is set in modern day Brooklyn New York an enclave for the Jewish community orthodox especially, **Brooklyn Love kindle unlimited** The tale weaves around the lives of Hindy Leah and Rachel who are approximately 19-20 years old and searching for good Jewish husbands as their religion and their culture demands. **Brooklyn Love booking** These brave young women must struggle with what they want to do and what they must do, **Brooklyn lovegame lyrics** Imagine a slumber party in which young women gorge themselves over pizza and soda: **Book Brooklyn love island** These women look at photos of hamburgers on the internet and drool over them because they are forbidden, **Brooklyn lovell** The scene is funny because you realize they are just like you in some ways, **Book Brooklyn love island** If you're like me you're intrigued by other cultures (aka food) and want to know more about them: **Book Brooklyn love island** Yael Levy brings my two favorite topics together splendidly: food and books, **Brooklyn young adult court** The characters in the story are always eating or preparing or cleaning up after a meal: **Brooklyn Love love pdf** You can practically smell the mouth-watering cholent (Jewish stew) simmering in the crockpot on Friday evenings, **Brooklyn Love booking** While her outfit is not as demure or conservative as the ladies on the right in some segments it might be seen as appropriate. **PDF Brooklyn lovely** I imagine Rachel to look like the woman on the left and our beautiful Hindy to look like the woman in the black sweater on the right: **Book Brooklyn lovesac** She is the most beautiful character I've read in a long time. **Brooklyn Love booking** You will adore her: she's balding and overweight but has the most beautiful loving personality: **PDF Brooklyn lovenox** You'll cheer you'll laugh and even though it has some aspects of the romance genre: **Brooklyn lovejoy school district** So while Rachel one of the main characters in the story does find true love so many others are left heartbroken. **EBook Brooklyn love's** Although all the young ladies were looking to get married the dynamics of each girl's trajectory were different which added some suspense to the plot. **PDF Brooklyn lovely** So again while there were elements of romance - miscommunications unlikely couples getting together I thought this might be a good fit book, **EBook Brooklyn lovesac** The storyline was quite interesting with a focus on one family and their daughter after another not necessarily all were friends with one another, **Brooklyn lovegreen** At the beginning I realized I needed to slow down because many characters were being introduced and I was mixing up which person was family versus friend etc, **Book Brooklyn lovenox** I appreciated the transitions

throughout the book from one character's life to another with the high expectations the elders had with each of the children. **PDF Brooklyn love's** I wondered how people could live in such a tough community with judgements and control: **Book Brooklyn lovesac** Additionally I felt like it was a beautiful honest approach with each person's experience to high expectations etc: **Brooklyn Love booklet** Sometimes I honestly wanted to bonk some of the characters over the head since I became frustrated with how they dealt with situations, **Brooklyn lovebook** I made connections from this book to other romance titles but personally found that I'd connect this with Emma by Jane Austen: **Brooklyn Love booklet** 9781440556555 For any young woman it can be hard to follow the rules ... especially when you're falling in love. **Book Brooklyn love** Because as Orthodox Jews they live by a whole different set of rules. **Brooklyn lovejoy school district** No dating—unless they are considering marriage—and then only marrying a man who rates high on their parents' checklists: **Brooklyn lovefool** All Rachel's mother wants for her daughter is to see that her daughter marries well, **Brooklyn lovegrove** Naturally this is where the rich Columbia University educated lawyer comes in. **Book Brooklyn lovers** The problem is Rachel's already found a guy who makes her heart race: **Book Brooklyn love** But how could a struggling Rabbi possibly give Rachel the security her mother demands? Hindy is very pious and only wants to marry a Talmud scholar, **Brooklyn lovefool** The problem is she's in love with an Orthodox Jewish guy she works with: **EBook Brooklyn lovers** Her mom a struggling immigrant has fixed ideas about the course to success and marriage—which doesn't include any of Leah's wishes, **Book Brooklyn lovenox** Brooklyn Love Brooklyn Love is an amalgamation of romance and straightforward reality. **Book Brooklyn love island** Yael Levy presents the Orthodox Jewish dating seen so realistically that anyone not familiar with the religion or its customs will fully appreciate the story, **Brooklyn loves mountains knitting factory** Brooklyn Love is light-hearted and serious at the same time sending readers on an emotional roller coaster they won't soon forget. **Brooklyn lovegood** Levy may only be scratching the surface when it comes to sharing how this Brooklyn Jewish community works but the surface is riddled with passion life-decisions and over-zealous parents. **Brooklyn lovejoy school district** Rachel Leah and Hindy are the three young woman who primarily tie this story together. **Brooklyn Love bookworm** They each have lives outside of dating and struggle to find themselves while remaining true to their faith community and their own needs and wants: **Book Brooklyn love island** The biggest draw for this story is how relatable it becomes once you see how much of the characters' lives are problems that everyone faces, **Brooklyn love lyrics** Everyone is not always able to see their dreams fulfilled some having to settle for something less and Brooklyn Love portrays that truth very well, **Brooklyn Love book** All three characters Rachel Leah and Hindy want to do what's right but matters of the heart make it difficult for this trio, **Brooklyn Love booklet** Jacob Zohar has Rachel's heart but how can she bring him home to her mother he's not a doctor nor a lawyer but a Rabbi. **Book Brooklyn lovesac** Leah's is young and ready to date; it's unfortunate that her mom is ready for her to concentrate on being married, **EBook Brooklyn lovely** So many times I was ready to scream when her mother opened her mouth her ideas are so ole school: **PDF Brooklyn lovenox** Then the third of this trio is Hindy she was my favorite of the three: **Book Brooklyn love's** But her story broke my heart sometimes we want something so badly when it doesn't come packaged the way we expect we could miss an opportunity: **EBook Brooklyn love** The family pressure the strict parents some wealthy some struggling doesn't make any of the families in this book exempt from peer pressure misunderstandings and heartbreak: **EPub Brooklyn love island** Rachel Leah and Hindy are battling some of the same issues that many young girls do fitting in finding love and following our parent's rules: **Brooklyn Love book** At one point in the book after Rachel meets Jacob she ask him what he's studying, **Brooklyn Love bookworm** While waiting for his answer she prays "Please God let it be medicine: **Brooklyn Love booklet** I really enjoy coming of age stories and this one was outstanding: **Brooklyn Love kindle books** A complimentary copy of this book was provided by the author for the purpose of this review, **Brooklyn lovell** 9781440556555 Brooklyn Love by: Yael Levy Review by: Kayla Hines Synopsis: "For any young woman it can be hard to follow the rules ... especially when you're falling in love. **EPub Brooklyn lovenox** Because as Orthodox Jews they live

Go out and get the book. Today. Rachel loves a Rabbi who is struggling. Lord I don't know how she did it. 9781440556555 Romance Orthodox style. I'm still quite brief when I review though. It starts

out pretty slow. And I noticed quite a few grammar errors. Rachel loves a Rabbi. The Rabbi is struggling and doesn't have much money. But Rachel wants to be with him anyways. That's my opinion anyways. Rachel has no interest in him because he's a jerk. She loves the Rabbi. Rachel has to make a decision. Hindy was hilarious. I liked her out of the three main characters. She always dreamed she would marry a Talmud Scholar. Meet Leah and her overbearing mom. Her and her mother did nothing but get into it. I felt for the girls in this story. I just never thought these things existed. Don't let the premise fool you. The story is endearing funny and heartbreaking. And speaking of Hindy. Oh how you'll love her. Then I sat back and enjoyed the book. The community feeling was beautifully conveyed in the book. Something for them to anticipate in the future. I recommend this book! Review page: <http://thestylinglibrarian.com/2012/1>. But for Rachel Hindy and Leah it's especially hard. No touching a guy—any guy!—before marriage. A Rabbi. Not exactly what her mother has in mind for Rachel. That would make Ma happy. Or law. Or even accounting. Brooklyn Love is a feel good read. 9781440556555 Great idea writing needs work. But for Rachel Hindy and Leah it's especially hard. No touching a guy—any guy!—before marriage. A Rabbi. But for Rachel Hindy and Leah it's especially hard. No touching a guy—any guy!—before marriage. A Rabbi. She just needed to know more about him. All she wants is her to marry a productive man. Hindy doesn't think she's very pretty. Her hair is thinning and she doesn't like to be flashy. Her plan was to marry a Talmud scholar. But as you know life never goes as planned. She falls for a guy she works with and hard too.
