

The Blindfold Date (Pursuit of Love, #2) By K.C. Carmine **Blindfold dating show** [Break to holler about lavender soap and how it kept coming up] I like how the partners just melt into each other after sorting out the original identity reveal/mortification post the (very-creative) way the blindfold date club arranged things. **The blindfold date contact** {site_link} FREE stories {site_link} author page {site_link} Twitter {site_link} Instagram {site_link} TikTok {site_link} BookBub {site_link} StoryGraph {site_link} Facebook group {site_link} Sign up for newsletter {site_link} Carrd {site_link} Link to free Christmas story 2021 K. **Gorlock the destroyer blindfold date** {site_link} FREE stories {site_link} author page {site_link} Twitter {site_link} Instagram {site_link} TikTok {site_link} BookBub {site_link} StoryGraph {site_link} Facebook group {site_link} Sign up for newsletter {site_link} Carrd {site_link} Link to free Christmas story 2021 {site_link} Facing his crush from uni was not what E expected on a blind date. **Blindfolded cooking date** Brian threw himself into his bi-awakening with so much enthusiasm he got hurt too many times to count but succumbing to the demands of this lean geeky Dom may be just what Brian needs. **What is blindfold game** How could I not adore a book about a sexy slightly odd nerd dom and the subbiest jock sub ever? Plus I get a chuckle out of the term footie The Blindfold Date (Pursuit of Love #2) Another brilliant book from K. **The Blindfold date first** I was lucky enough to obtain an ARC for review! The Blindfold Date was a matryoshka of great things; a contemporary MLM romance with simple worldbuilding a neurodivergent lead who was portrayed organically and relatably When Blind Dates Work Out and tons of creative safe and well written steamy scenes. **PDF The Blindfold date calculator** While it showed in really everything they were very fond of each other and there's a hfn I would have loved some solid words at the end but that's me I accept the author's choice of course! Overall a quite attractive narrative nicely balanced entertaining hot well written I enjoyed reading very much! The Blindfold Date (Pursuit of Love #2) DNF 20% What the book told me- Ernesto was going on a blindfolded date and when both parties enjoyed the conversation they'd stay- Ernesto and Brian both came with hopes for a potential relationship- Ernesto never had sex at home- Ernesto never had sex without planning it- Ernesto had an issue with germs and fluid exchange- Ernesto always had safe sex only What the book showed me- The questions were lame the conversation was stilted and Ernesto didn't seem to think much of his date. **The blindfold date book review** Except they met through a dating app for potential relationships so why would they have a one time hookup?- Ernesto took Brian home for sex without a second thought because Brian was so special- Ernesto had a spontaneous hookup with Brian- Ernesto hated kissing because of the germ-filled fluid exchange. **The Blindfold Date epub free** The Blindfold Date (Pursuit of Love #2) Ernesto or "E" as his friends and family call him is many things: an early 30s gay man video game designer unabashed nerd and on the Autistic spectrum. **Book the blindfold date pdf** As an openly bisexual man he's tried to find that person for years... someone who can help him explore his desires for pain in pleasure who can take him to the edge of bliss. **Book The Blindfold dates 2022** But with blindfolds removed E realizes that his date is his former Uni crush - the man who most likely had no idea E existed then and certainly couldn't be interested in him now. **Gorlock the destroyer blindfold date** What I liked: this MM romance is zingy hot! The sexy times will fog up any geek's glasses within a 5 mile radius! But their connection comes through just as strong; it's insta-lust but not in a dramatic or forced way. **Blindfold acts of obsession** What I didn't like: I love the premise of the story and the character development - I just wanted more! More setup to each's motivation to use the dating service perhaps more in their relationship or to face a big hurdle to overcome... things seemed to work out rather easily and in the best possible outcome - it's a Pollyanna world. **Gorlock the destroyer blindfold date** did I say this book is hot?! Wow it's hot!! ☺☺☺ Highly recommended reading!! 5☐ The Blindfold Date (Pursuit of Love #2) Their lips met in a kiss that was like a conversation a confession and a song of gratitude on both sides. **What is blindfold game** Star Rating: 5/5 ☺☺☺☺☺ POV: Dual / Third Person HEA: HFN Spice Rating: 4/5 ☺☺☺☺ ARC provided in exchange for an honest review Overall Opinion After reading The Lonely Date I could not WAIT to jump in and read Brian and E's happy ever after! These two had me gripped by my soul and I devoured it in one sitting. **What is blindfold game** made it enjoyable! I really loved watching their

relationship blossom and develop! It was an overall wonderful experience reading it and I cannot wait to continue the series! Read if you like: □ M/M Romance □ D/s Dynamic □ Programmer/Ex-Football Player □ Dating App □ Low Angst/High Steam □ HFN The Blindfold Date (Pursuit of Love #2) light d/s dynamic with an unusual twist □ Brian and Ernesto meet at a date where both parties are blindfolded. **EBook The Blindfold date of death** Each participant gets to ask the other three questions and afterwards they get to decide whether they want to continue their date or not (no questions asked no identities revealed) - a new approach to dating. **The blindfold date book pdf** Every time Brian felt vulnerable and he opened up he expected Ernesto to send him away and to not be interested in him anymore even when they were in the middle of sexual activities. **The Blindfold Date books** Throughout the story the author makes a huge point of Ernesto's not-liking-germs especially exchanging them with people he doesn't know and not being a fan of saliva-exchanging-kisses so it's really not possible for Ernesto to rim a stranger on their first night or to not care about come on his sofa. **Book The Blindfold date night** Now I don't know of any work places where it's okay to just bring someone who hangs around waiting until you're finished with work and I didn't understand why Brian couldn't just spend a few hours on his own. **Blindfold acts of obsession** I had hoped the BDSM would be enough for me to save the story but when I found myself uninterested in and skimming the last extensive sex scene I knew it was a lost cause. **The blindfold date book review** Then there was this: E would be afraid of an overload of endorphins and his unavoidable crash after but intimacy with Brian came with such ease he still had a drawer full of spoons,

On the nitty gritty of 'how safe or sanitary is this act' and I felt all of that taken care of with such sensible writing that didn't dwell on it either: **EBook The Blindfold date of death** Not sure if that's a real thing but subtracting the cringe and embarrassment from seeing a failed blind date later on makes total sense, **The blindfold date pdf free** It was great to see Brian so readily accept E's neurodivergence - as it should be. **Blindfold acts of obsession** She loves writing about people falling in love with a focus on characters and their journey to HEA, **The Blindfold datefirst** As a member of the queer community it is important to her that her writing reflects the diversity of voices around her: **Blindfold date ideas** While she is a lover of romance she also enjoys horror paranormal and mystery stories. **The blindfold date epub download** When she's not writing she likes travelling playing the guitar video games and reading, **The blindfold datea live** She loves writing about people falling in love with a focus on characters and their journey to HEA, **What is blindfold game** As a member of the queer community it is important to her that her writing reflects the diversity of voices around her, **Blindfold dating show** While she is a lover of romance she also enjoys horror paranormal and mystery stories. **The blindfold date book pdf** When she's not writing she likes travelling playing the guitar video games and reading, **The blindfold date book review** If both parties enjoy the conversation they take the blindfolds off: **The blindfold date book pdf** This is exactly how Ernesto—an autistic video game programmer with a dominant streak reconnects with Brian—an easy-going ex-football player with a burgeoning desire to submit: **Blindfolded cooking date** After his secret obsession with Brian comes to light he realises both of them have changed since their time at uni. **Book the blindfold date pdf** E is willing to risk a potential emotional disaster to have Brian under him even if just for one night, **The Blindfold datefirst** He has to overcome his past to truly give himself to E at the danger of having his heart broken by a man who desires his body but doesn't know his secrets, **The Blindfold datek trading** A standalone MM book 2 from the contemporary Pursuit of Love series, **Blindfold dating show** The Blindfold Date (Pursuit of Love #2) E and Brian have a bit of a rough start a misunderstanding that thankfully doesn't get drawn out: **The Blindfold dated ornaments** Communication a novel idea! E and Brian are both a bit odd. **The Blindfold datejust 36mm** Before you find out E has autism you can tell something is a bit different with him: **The blindfold club by nikki sloane** The autism

Oh and heat. **The button blindfold date** From the get go they had such fiery chemistry and I am surprised my kindle didn't ignite: **The blindfold date book pdf** The authors portrayal of E's autism was done perfectly and respectfully, **The blindfold date book pdf** There was no drama or angst and it worked perfectly how the dynamics between E's Dom side and Brian's sub side clicked: **The Blindfold Date epub free** E is a neurodivergent game developer nerd and a dominant with the need to control his environment as much as possible: **The Blindfold Date epub free** Brian is a sweetheart cutie-pie ex-soccer player and submissive with a not so pleasant past, **The blindfold datei insight** The book is about the development of their relationship has lots of steam and although it portrays d/s dynamics there is nothing too hardcore. **Gorlock the destroyer blindfold date** I really enjoyed the unusual pairing (usually the nerd is the shy sweet and quiet one). **The Blindfold Date books** ***I received an ARC by the author and this is my honest opinion: **Ebook the blindfold date free** The Blindfold Date (Pursuit of Love #2) I really enjoyed this one, **Gorlock the destroyer blindfold date** It was so sweet and I really loved the characterization in this book. **The Blindfold datejust 36mm** Every character just really jumped off the page and everyone was so lively and fun to read about: **Book The Blindfold date night** The romance in this book was super sweet too and I really liked the dynamic between the characters, **EBook The Blindfold date of death** I received an ARC of this bookand this is my honest opinion The Blindfold Date (Pursuit of Love #2) I tried to like this book. **The blindfold datek lyrics** But the story and writing were a jumble and there was just so much that didn't work for me. **Gorlock the destroyer blindfold date** First of all I'm very unhappy with the representation of autism in this book, **The blindfold dated download free** It seemed like the author had taken a few overly generalized autism traits used them over and over and thought that is the whole picture, **The Blindfold Date epub free** It did not shine a good light on people with autism and was mostly about not liking germs, **PDF The Blindfold date calculator** What's more all of Ernesto's autism traits seemed to disappear when he was with Brian, **The button blindfold date** Ernesto and Brian were supposed to have this amazing chemistry and connection but for all their spending so much time together I never felt it. **Blindfold date ideas** The story seemed lust-focused Ernesto's and Brian's interactions were. **The blindfold datee ep** odd? Awkward? And although they instantly acted like a couple they couldn't communicate at all: **Blindfolded cooking date** Their characters felt flat and I just couldn't feel any interest in them and their story, **What does blindfold symbolize** I shouldn't be surprised that my reaction when I saw the chapter titles ('the house' 'the sofa' 'the work' etc) appeared to be basically my reaction to the whole story: **The blindfold datek**

lyrics In chronological order here is a list of other things that did not work for me:- E/Ernesto: **The blindfold date book review** Ernesto says everyone calls him E (and he likes to be called that) but Brian still used Ernesto most of the time only occasionally calling him E, **EBook The Blindfold date of death** E and Ernesto were also both used in the descriptive writing, **PDF The Blindfold date calculator** Still they hadn't talked about what they were to each other, **The Blindfold date explorer** After Ernesto walks away from their date he doesn't want to continue Brian follows him home Ernesto invites him up and they have sex, **The Blindfold date first** Huh? Ernesto makes a point of using a condom for a blowjob even though they said they were both negative for everything. **Blindfold acts of obsession** Then suddenly he feels this need for intimacy rims Brian and barebacks him (even though he never has before and it's a big deal): **Blindfolded cooking date** So after their night together and having plans to spend the weekend together Ernesto is called to work on the Saturday and Brian tags along: **The Blindfold date just 36mm** This is featured in many gay romances and I'm sure the authors have no idea how it feels, **The Blindfold Date ebook reader** And really really not what a man wants for his penis and hole. **Blindfolded cooking date** This was really not okay and put a big damper on me trying to like Ernesto. **Gorlock the destroyer blindfold date** Ernesto didn't acknowledge Brian's emotions thoughts and decisions; just said he was wrong and persuaded Brian to report the abuse to the police even though Brian didn't want to. **The Blindfold Date books** And now he wanted to use them to ease Brian's return to the real world. **The blindfold date Birmingham** A drawer full of spoons? Uhm? Is this a saying I'm not familiar with? I see many others like this story and am very glad about that: **The Blindfold Date epub free** This review is my opinion and reading experience and I don't mean any harm by it. It's bonus material.

A new dating app. Rules: both parties sit at a table with blindfolds on. Each can ask three questions. If they don't like the answers they can leave. What can go wrong? Nothing. Unless you come face-to-face with your old crush. High steam/low angst. He's very particular with things. Yay for representation! E is great. He is particular but incredibly sweet kind caring and sexy. Brian is awesome as well the muscular sub. He doesn't know the basics of d/s. If that means no surprises that's fine. Brian rolls with E's punches (figuratively). C. Carmine. It's also a quick read if that'll cinch the deal. Five stars. Two amazing guys who are delightful special. The scenes were intense they were hot af together. E is everything Brian wants and needs. One that was expected to be a one time thing. That was of course completely fine. His personality gave me whiplash. I was told a lot of things. I was shown the complete opposite. Would not recommend. My opinions are mine and mine alone. and we have Ernesto who is. C. I am not normally a fan of BDSM but K.C. This book was just so much fun to read. I really did. It is not. In just one weekend. Let me tell you: that's not how it works. Author just pick one and stick with it.- Darling. Ernesto drops the d-word the first night. And a couple of times during the following week. Also why is darling written with a capital d?- Germs. I know this from experience. Not okay.- Work.- Soap in their manly parts. It isn't nice. It isn't erotic. It stings. It's uncomfortable.- Ernesto's reaction to Brian's past abuse. NOT OKAY.- The epilogue. It didn't add anything. It contained nothing. It was not the happy feeling I want in an epilogue. The Blindfold Date (Pursuit of Love #2).
