They dance around the sparks that ignite when they are together. **Book Redeemed by a rebel** Will Becky accept Jake after she learns of his past and what drove him to Deadwood? Can Jake get Becky to see herself as more than a workhorse for her father? I really enjoyed this book and I can't wait for book two to see what happens next with the Anderson brothers. **Redeemed by a rebelhorn hardy** She is strong independent and a little rough around the edges but that's understandable considering how she pretty much grew up taking care of herself and her father the town drunk. **EBook Redeemed by a rebel moon** Along with their growing relationship are many other happenings and roadblocks just like in the Westerns I used to watch with action suspense and of course romance making Redeemed by a Rebel a very enjoyable read. **Book Redeemed by a rebel moon** Jake is now a wanted man for murdering the ex-boyfriend and thought to be responsible for his fiancée's murder also in a jealous rage and his brother is now no to be court marshaled for not arresting his brother and is AWOL. **Book Redeemed by a rebello** But it also tells of how women back in the day had to work right beside their man they had to fight for their right to be a human being their fathers and husbands completely ruled their life. **Book Redeemed by a rebel wilson** But can Jake elude the bounty hunters after him and protect Becky from to torment and beatings of her father? Can they

carve out a life from panning out of a stream? Can their determination and struggles beget their dreams? This book is superbly written the editing is great and I really enjoyed the spunk of the characters even down to the children of older brother Liam. **Redeemed by a rebelde 2004** Her father was a cowboy not a bounty hunter and her mother was a nursemaid (called a n Cynthia Woolf is the award winning and best selling author of sixty three historical western romance books two contemporary western books with books on the way. **Redeemed by a Rebel kindle paperwhite** How can he save her when he's already lost himself? Becky is not a girlie girl by any stretch. On the contrary. Still in all Becky and Jake's relationship begins to grow.**I was given this book in exchange for an honest review. All opinions and viewpoints are my own. Romance Interesting premise. Takes place during the early wild west gold rush period. Three brothers on the run for murder. Unfortunately the other man is his brother's commanding officer. They buy a parcel of land to mine for gold.there's a bounty on his head.I was not disappointed with Cynthia Woolf writing style. I love Historical Romance especially the Western era. This describes the heroine Beck to a T. Romance I'm guilty. I fell for the sexy cover hehe.Redeemed by a Rebel didn't dissappoint. It is a really fast paced book and easy to get into. Very entertaining with a great setting. Also the fact that Jake slowly wins her trust. It's like he is her knight in a shining armor.Becky is fierce as every heroine in Cynthia's books. I hated him. Cynthia loves writing and reading romance. Cynthia loves writing and reading romance. But then Jake arrives and does the unthinkable.forces her to feel to hope.and to love. Forced to leave St. Louis as he could take them. Becky can't stand the pity she sees in Jake's eyes.Redeemed by a Rebel by Cynthia Woolf was an excellent read. at her. But Becky is all about taking care of herself. Her pride won't accept Jake's pity or help. His heart just wasn't ready for anything more. Besides he was still running from the law. Jake is just the type of guy every woman wants. He has morals principles and respects women. From the beginning the story was not what I expected. The author's voice was engaging and evocative.4.5 stars. An excellent and highly recommended read.
