Their sarcasm. I laughed a long with them. I swooned over Jay as he had a way with words. And when Tori got mad at Jay? I wanted to kick him. Ha. I was invested in their story. Why? They just simply belong together. It is fate. And nothing gets in the way of fate. But their love? It isn't easy. If you go in thinking that you are wrong. That love doesn't see who you are.

Book Urban Love prophecy watchers

Or your past. Love knows where it belongs to and it lives there. It doesn't let go. There's no denying true love. Tori and Jay's story attests to that. This isn't your normal rainbows and butterflies romance story. Their love story hurts. It's raw. It's real. Love isn't perfect. I love that Urban Love Prophecy showed that. Tori and Jay are flawed. Yet they can love. Mistakes happen. Lines are crossed. But their love went beyond where love is supposed to go. They fought for their love. It was dark at times. It was challenging. However love always perseveres. It hopes. It never gives up. She

even lost the ability to see her sick father. Tori was a little spit fire. Jay was so sweet and protective of her. I loved so much about this story. This book may not your typical love story but what is." - Unknown

Jessica Ingro Jessica Ingro SPOILERS. wow this book got good reviews. I guess I was the only one who hated the hero. I was so mad reading this. Don't know why I continued reading. Then he did it again. Everytime he was a jerk he turned it around on her. Jessica Ingro 2X cheater. [goodreads.com/review/show](https://www.goodreads.com/review/show/...). Jessica Ingro This one was okay. 4. She takes chances with her story lines and her characters. Urban Love Prophecy does not disappoint. In other words he grew up in the projects. Women has never been an issue for Jay. They come to him in droves. Victoria (Tori) Watson grew up on the other side. She was given everything she wanted. This is inevitable. Life is too short to hold back. Jay is your typical player. When he meets Tori she threatens to shatter that truth. Tori knows what Jay can't do yet she still craves him. I thought we were building something. Their banter is unlike no other. I loved reading the way these two interacted. It was gritty. It was real. The author held nothing back. And I am so glad she didn't. Jessica Ingro I went through so many emotions reading this. I felt like he was so full of BS. I stayed there for a while. I was so mad. Like so pissed off. Then I was surprised. Jerome. Wow. I didn't think anyone would say anything. I mean bros before hoes and all that shit right. Not to mention his mom. He was acting like such a douche. I just. Ugh. Then I was heartbroken. But. He did. He made me swoon all over. Then he was a champion. What he did for her. Just. Wow. Urban Love Prophecy is awesome. Tori has just had her life flipped upside down. He's a stallion that could smash me all. Night. Long. On repeat. All. Night. Long. Whew. A Mommy's a Book Whore certified MUST READ. Review by the Head Whore at Mommy's a Book Whore. Jessica is the author of the Love Square series. Urban Love Prophecy is no ordinary love story. A love that is blind. A love that is crazy. With endless amount of money lets face it Mr. No one is perfect especially Jay. Their sexual attractions is raw primal and explosive. They can't seem to stay away from each other. They are drunk in love. For Jay and Tori their explosive love is not planned. it just happened. Jessica did something different with Urban Love Prophecy. People make mistakes and sometimes you have to forgive. Love isn't perfect. It isn't a fairytale or a storybook. And it doesn't always come easy. I did not buy the epilogue. He ignores the message.
