

Sons of Brahma By Dhruba Hazarika I am just a joker in a wolf pack—hard-core militants in a running gunfight; international arms dealers sucking dry the life from our youth; wolves in army and police fatigues arrogant with shoot-at-sight powers; intellectuals sitting on fences without the courage to jump off; students' unions more at home in their anthropological linguistic arena than in their pursuit of knowledge; officials and engineers bent on loot. **Son of brahma ji** If the written text is so dramatic I can only imagine the movie!! To keep it short the first half of the book is an ode to the beauty of Assam and oh lord! It's so so beautiful! ☐ The second half is like any other thriller so not much to say on that but I kinda saw the end coming? Not exactly but I could put in some things ☐ Regardless enjoyed the book. **Songs of brahmastra** Accompanied by his loyal friend Pranab he races through the lush Brahmaputra valley facing a macabre world of ruthless politics even as they discover along the way a terrible secret that binds them together in ways they never thought possible. **Son of brahma ji** D scholar finds himself at odds with both the Assam Police and the 'rebels' who want a separate nation of Assam. **Son of brahma ji** The book navigates through adventures involving encounters surprising revelations and the bountiful beauty of the Brahmaputra: **Songs of brahmastra** The story is somewhat predictable and only mildly informative but it's a pleasant read. **Songs of brahmastra** 9780143422815 This book has the potential to become a realllly good film just saying, **Son of brahma ji** Very thrilling loved the descriptions of nature the bits of philosophy. **Son of brahma ji** (I wanted to read Bowstring Winter by the same author couldn't find it: **Songs of brahmastra** So that's that) 9780143422815 A great plot which could not quite well live up to the expectations due to over dramatization. **Son of brahma ji** 9780143422815 Enthralling story about insurgency days in Assam over-dramatized though: **Songs of brahmastra** 9780143422815 one of the best books I have read until today: **Songs of brahmastra** 9780143422815 An unassuming scholar Jongom Hanse is more at home in the world of books and physics, **Son of brahma ji** Until to his bewilderment he is singled out by an implacable rebel leader Anjan Phukan who wants him to write for the separatist cause, **Son of brahma ji** Without any warning they are arrested on their second meeting and Anjan is shot dead. **Songs of brahmastra** Caught in a snare between the police and the rebels who hold him responsible for their leader's death Jongom is forced to flee the safe confines of the university campus. **Songs of brahmastra** Addictive and gripping Sons of Brahma is an enthralling Assam novel, **Songs of brahmastra** Sons of Brahma

I am no outlaw on the run. In a series of events Jongom Hanse a brilliant Ph. All in all very nice. Read if you want a thriller set in Assam. Hence picked this one. Wasn't disappointed. The story gets predictable early in the book. the Agatha Christie if east. He writes in English. He writes in English.
