Suddenly Wed' also. With Ms. Loved It. What about the rights of the wealthy person. Michael Michaelmas. He's quite content as his life is now. Ms. Suffice to say you will love this novel. With this book I think Christi's reached beyond the summit.Loved Hermione and Sebastian. i loved the both of them. sebastian and hermione's attraction was there. Hermione. Period. Stop. End. She's funny and caring and ever so responsible. She writes gothic novels. Cool?Hero: Sebastian. Never he the brooding overpowering duke type. He's rather a happy fellow. He's kind and good and sweet. He just wants someone to love him not his duke-ness. I could relate to Hermione in so many ways. Above all this is a story of love hope and family. Not the title. Or duke. Or gads of wealth. Simply Sebastian.~~~~~"Men don't woolgather. I don't woolgather." Dukes certainly did not woolgather. "I've business to see to" he lied.~~~~~"It is for you Hermione. I told you I wanted all of you. I want Mr. Michaelmas."~~~~~The secondary characters are so well-drawn.MY VERDICT: An enchanting finale to a truly delightful series. Highly recommended.wordpress.com. I like this hero much more than I like the heroine. He wasn't one of those no nonsense I-care-for-noone Duke's. Rathen than the chapters of post-trapping-into-marraige-forced-angst. He fall right into the trap set for all Dukes. Tall thin and plain she has no expectation of success. {site\_link}.
