

The Billionaires Desire (The Seduction Factor, #2) By Scarlett Avery **The billionaire's desire** Ciara has been ignoring all texts and phone calls from Nikolaj and when she goes to work first thing in the morning after her trip her office is filled with 25 bunches of flowers with a note in a box personally written by Nikolaj himself. **The billionaires desireh horse** Thinking it was kinda freaky but her assistant and another employee said that for being a man in his late fifties to early sixties wasn't so handsome and breath taking they wouldn't have allowed him to camp outside her office. **The Billionaires desireless bookpedia** Hope in the rest of the series that Scarlett writes less of that and more of the emotional side of Ciara as materialistic things don't buy happiness and that deep down is what Ciara is chasing. **The Billionaires Desire pdfescape** ARC was provided for review 102 *EXCERPT #1* "Why don't I start by getting you to sit on top of my face so I can lick your clit until you come all over my face" he whispers in my ear. **The Billionaires Desire pdfiller** What is a woman to do? Good writing. Love the secret chapters. I'm a fan. 102 4 Stars Was given an ARC for an honest review. Mr. Dr. Ciara finally gets to having the meeting with Dr. Ciara can't work out how she may know him but Dr. Dr. Which leads to the cliffhanger. Especially now what Dr. Echev has revealed. There was way too much brand name dropping. or where she buys her underwear. or the kind of watch she has on her wrist. The sex got a bit rough for my own personal liking. This did affect my rating so bear that in mind. Anyway. this one just missed the mark for me. I do however.
