

Dây Chuyển Thiên Sứ (Quân Đoàn Hủy Diệt, #1) By Cassandra Clare **Tiêu chuẩn dây điện** *lol* I seem to have a weakness for tortured souls and if Will isn't the embodiment of a tortured soul then I don't know! <3 Also he's sassy as hell and very sarcastic and boy do I love those traits in my men. **Dây Chuyển Thiên Sứ Science Fiction fantasy sa T_T** Poor Will! One of the best things about their relationship are not only their tender little moments but also their amazing bookish talks! <3 I'm so glad I read "A Tale of Two Cities" because I finally understood all of their references! It added a new layer of enjoyment to my reading experience and I think I admire Cassandra Clare even more now. **Book Dây Chuyển Thiên sứ mẽ** Also can we appreciate how considerate Jem is? He knows that his parabatai loves Tessa and even though it's plain that he likes her too.

You read right! I ship them. **Dây chuyển thiên sứm sm gia** And they love each other! It's plain as day! Maybe not sexually but kind of romantically and in such a profound way that it's impossible not to notice! I'd even go as far as to say that they have some sort of a "demiromantic relationship". **Book Dây Chuyển Thiên sứ** It's really hard to explain with those two but boy do I love their relationship! <3 Plus you've to adore the way they tease each other! Their conversations are some of the best ones in this entire book. **Dây Chuyển Thiên Sứ epublising** com/cassieclareI'll be available here on Goodreads to answer questions for a Goodreads Author Discussion starting September 18 — {site_link} sign up so you don't miss the conversation when it starts! {site_link} "Milton thought Hell was a city you know. **Dây Chuyển Thiên Sứ Science Fiction fantasy sa** Perhaps London is just Hell's entrance and we are the damned souls refusing to pass through fearing that what we will find on the other side will be worse than the horror we already know. **Book Dây Chuyển Thiên sứ** The thoughts they share the pieces of wisdom their words contain the severity of the decisions they make just everything! My love for this series is so deep I can barely put it into words. **PDF Dây Chuyển Thiên sứ mạnh** There are book talks that will warm every bookworm's heart there is the first mention of "demon pox" an MC that adores chocolate so much that he thinks people who don't eat it are monsters and cannibal ducks that lead to the Herondale's secret motto of "Never trust a duck. **Dây Chuyển Thiên Sứ pdf converter** They have their weaknesses and strengths they love they hurt they joke they cry they are palpable and genuine and they are everything to me!It's safe to say that I love this series with all my heart. **PDF Dây Chuyển Thiên sứ đở** I just hope that you my dear reader who's reading this review right now will end up loving it too! ;-P There's no way I'm not going to blow up the goodreads world limit once again so if you want to read my entire review you can do it here!If you like things short and simple (Who am I kidding? *lol*) be my guest and just continue to read on. **Book Dây Chuyển Thiên sứ (=)** By the end of the book Tessa is no naive and bland character any longer she's become a stubborn woman that goes her own way and stands up for herself! And honestly that's exactly the Tessa I love. **Dây chuyển thiên sứm sm gia** And as for mundanes have you ever thought maybe you'd be better at protecting them if you didn't despise them all so much?" Will:"He had the most beautiful face she had ever seen. **Book Dây Chuyển Thiên sứ khỏe** >_< At the ending he's so distraught that he takes a drastic step (at least for him) and since I know what's going to happen in "Clockwork Prince" I'm already suffering with him. **Dây chuyển thiên sứm sm lyrics** There was a man who was worthless and knew he was worthless and yet however far down he tried to sink his soul there was always some part of him capable of great action. **Book Dây Chuyển Thiên sứ** "What is it he says to Lucie Manette? That though he is weak he can still burn?" "Are you implying that shreds of my reputation remain intact?" Will demanded with mock horror. **Book Dây Chuyển Thiên sứ mẽ** They are like fire and water and I love them both! <3 Also in "Clockwork Prince" we get to see his more passionate side and I'm so ready for him to step out of that friendzone in which Cassie so deliberately placed him! ;-P Break free Jem! Break free! <3 "If you have the soul of a warrior you are a warrior. **Dây Chuyển Thiên Sứ Science Fiction fantasy sa** The relationships & ships:Tessa & Will:"When he had come into her room at the Dark House she had thought he was the most beautiful

boy she'd ever seen but just now looking at him - she had never looked at a boy like that not in this way that brought blood hot to her face and tightened her chest. **Dây chuyền thiên sứ sm gia** I LOVE MY TWO BOYS!! They are everything to me and I'd die for them!! <333 Their relationship is one of the best things about this book and I've to admit that I ship them. **Dây Chuyền Thiên Sứ Science Fiction fantasy sa** I think it's chiefly because - if you have ever read a single one of my reviews you know this is coming - the character work and development which is just so so so much better than anything in the Mortal Instruments. **Book Dây Chuyền Thiên sứ đồ** While Rafael and Magnus are both sympathetic characters in the Mortal Instruments I think the portrayal of Camille - I love her by the way - goes further than subverting: it subtly but clearly critiques the Shadowhunter idea that Downworlders are lesser. **Book Dây Chuyền Thiên sứ** While the ending of this book is fucking heartbreaking and made me want to punch a certain someone in the face it also does something I did not expect - it sees Will's bigotry and it criticizes him for it by putting us into Tessa's head as she experiences it. **EBook Dây Chuyền Thiên sứ giả** There is also a very compelling cast of side characters including: □Charlotte - the badass lady mentor Tessa needed and deserved□Henry - a mess who has never done anything wrong in his life□Jessamine - girl hate but like compelling and subversive but also annoying but also I don't hate her??□Sophie - my girlfriend my wife I would die for her an iconI kind of intoned girl hate in this so let's talk about the narrative implications of girl hate and why this book actually did really well. **Book Dây Chuyền Thiên sứ đồ** Jessamine comes close to being a very stereotypical character but she's far beyond that - she's a character who has very clearly been socialized into believing in her own superiority for not fighting and now firmly believes it. **Dây Chuyền Thiên Sứ booklet** #justiceforTessa2k18And because someone will someday ask on my review if I actually had to pick a team - and I am still very opposed to picking a team - Jem is a better person than Will will ever be. **Dây Chuyền Thiên Sứ Science Fiction fantasy sa** In summary:□Jem - Kind Musician Man disabled and biracial Chinese in a society that looks down on both put up with Will's shit for seventeen years an overall good□Will - trash man basically only likes the two people he's simultaneously datingBut honestly... they're both interesting characters? I love the direction this series is going. **Quẻ sơn thiên đại súc** I don't care how well she can quote Dickens (who can even quote Dickens that's so unrealistic) she's still the same person as Clary minus the sarcasm and plus a not-so-healthy dose of Special Snowflake. **Book Dây Chuyền Thiên sứ mệnh** Do I look like I care about his eyes either? Tessa has a strange obsession with his eyeballs and she constantly (I mean every other sentence) describes them in different ways that. **Dây Chuyền Thiên Sứ epub.pub** I wouldn't have had a problem with this because it's the 19th century if Will hadn't felt like he came straight out of a frat party driving his Mitsubishi in the year 2017. **Dây Chuyền Thiên Sứ Science Fiction fantasy sa** Besides the ugly-shaming and pretentious attitude she has to pull an I'm-So-Sorry and moan on and on about how personally responsible she feels for the grievous paper cut of Jem Carstairs and the fact that none of this would have happened if you had kicked me out and how this is all my fault. **Dây Chuyền Thiên Sứ kindle books** The Shadowhunters: The Shortcomings of IdiotsDid you really abandon everything to follow the advice of a half-insane kid who was literally a member of the Pandemonium Club? Do you really have a brain among you Shadowhunters?First they left their most valuable potential hostage in an empty house. **Book Dây Chuyền Thiên sứ giả** Oh and what a convenient infodumping machine that random character you just met is! What a great idea to □subtly□ reveal the entire history of the Shadowhunters! This book was trash. **EPub Dây Chuyền Thiên sứ mạnh** But oh boy Clare's writing and her characters annoy me the book as a whole annoys the freaking hell out of me here're the reasons:(1) The recycling of characters:The main characters in The Infernal Devices series are the photocopy versions of the main characters in The Mortal Instruments series plain and simple. **PDF Dây Chuyền Thiên sứ mệnh** Only that in TID series those recycled characters got different colors of eyes and hair they were dressed in 19th century British outfits and they were living in a supposed Victorian era. **Book Dây Chuyền Thiên sứ đồ** On the other hand Tessa was also looking for her brother in London said brother was also kidnapped by the villain later Tessa also found out her brother had hidden a secret from her. **Dây Chuyền Thiên Sứ book pdf** Clary's bitchy remark

about how fat ugly people don't get to become vampires because ugly people probably don't want to live long bugs the hell out of me when I read City of Bones. **Dây chuyện thiên sứ sm lyrics** In Clockwork Angel I found Tessa making a very similar remark on Brother Enoch's strange frightening appearance: It hardly seems worth living a long time if you're going to look like that. **Book Dây Chuyện Thiên sứ đồ** The most important thing for her is to be beautiful I got the message perfectly! Simply put not only Tessa is an recycled version of Clary she is also as judgmental ungrateful and rude as Clary is. **EPub Dây Chuyện Thiên sứ mẽ** One big fat sign for Mary Sue right? Then we meet William Herondale who's supposed to be a great warrior but who's also extremely handsome cocky and filled with smartass remarks up his sleeves who is rude to everyone else for no good reason. **Book Dây Chuyện Thiên sứ đồ** The gentle 'good boy' Jem is Simon in disguise Jem is being designed to be the weaker part of the love triangle I like him just as I like Simon but I have nothing more to say about him. **Tiêu chuẩn dây điện** Clare to spend more time to describe what Will and Jem look like what clothes they wore then she spends time on describing how her two male leads reacted to the death of this innocent girl? And I had talked about Tessa's bitchy attitude toward bad looking/strange looking people before. **Science Fiction Fantasy Dây Chuyện Thiên sứ** AND ALL SHE HAD NOTICED IS THAT THE STRANGER HAS THE MOST BEAUTIFUL FACE SHE HAD EVER SEEN EVEN THE LINE OF HIS THROAT IS PERFECT!???WHAT'S WRONG WITH HER!? Also Tessa was secretly jealous of the pretty women/girls (e. **EPub Dây Chuyện Thiên sứ đồ** Jem had once commented that he thought Tessa was pretty but I don't think there's enough amount of prettiness which would be enough to cover up Tessa's mean-spirited judgmental ugly little heart. **Kindle Dây Chuyện Thiên sứ mạnh** But oh god shouldn't a lady be taught not to directly make rude remarks? And why would no one ever called her out for being unladylike? Guess what's the worst part? The worst part is that when Jessamine was openly insulting a guest (Tessa) NO ONE--not Will not Charlotte not Henry even bothered to stop her. **Science Fiction Fantasy Dây Chuyện Thiên sứ** Where's these people manner!? Oh now I can see that all these Shadowhunters are a bunch of wimps they can't even stop a rude girl from insulting their own guest and we're supposed to believe they are the fierce protectors who stood between humans and demons? The same with Jessamine whenever Will was saying rude things--even to a point he directly told Charlotte her husband was a useless piece of trash still Charlotte who was the head of the Institute did nothing to shut him up. **EBook Dây Chuyện Thiên sứ đồ** I won't let you give me to the Magister! I'd rather die! Well then what about your brother Nate? Remember that supposedly the Dark Sisters still have him Tessa? That I'd rather die part makes me almost want to laugh. **Dây chuyện thiên sứ sm lyrics** Hadn't the Dark Sisters made it quite clear that the Magister wants to use Tessa instead of killing her? Not only this after Tessa was taken under the Shadowhunters' wings she began to doubt their motivation for helping her. **Book Dây Chuyện Thiên sứ mạnh** That little bitch! You know what it isn't like Charlotte was obliged to be nice to her at the first place! And then Tessa and Will went undercover and sneaked into a vampire party but when the two of them were surrounded by a roomful a vampires Tessa just had to lose all control and screamed her head off when she first caught sight of her brother Nate being held captive by the vampires. **Dây Chuyện Thiên Sứ kindle direct** Can she possibly do any worse to draw attention upon herself and Will by screaming and being impulsive and ACTING LIKE A FIVE YEARS OLD KID IN GENERAL!? Will on the other hand is as horrible a person as Tessa. **Book Dây Chuyện Thiên sứ đồ** For example when Will discovered Tessa was in Jem's room at night he came up with the following remark: Do you normally turn up in gentlemen's bedrooms in the middle of the night? If I'd known that I would have campaigned harder to make sure Charlotte let you stay. **Dây Chuyện Thiên Sứ epub air 108** Screw you! Will you asshole! I understand it isn't proper for Tessa to show up in Jem's room in the middle of the night but what're you hinting at with your damn remark? Are you hinting that Tessa is a whore or she's a loosed woman!? Not only this in the middle of the story Will thought about Thomas the servant boy who once was his best friend BEFORE JEM CAME ALONG AND WILL TOTALLY FORGOT ABOUT THOMAS! Will totally forgot about the servant boy who was once his friend right after he found a new friend. **Kindle Dây Chuyện Thiên sứ (4)** Failure in research: Since Clare had decided that her

character Jem as a half British half Chinese who had spent his childhood in Shanghai there're a few reference on Chinese culture. **Dây chuyện thiên súm sm lyrics** Oh yes Westerners were and sometime still are being referred to as 'ghosts' in Chinese because in Chinese myth only dead people/ghosts have pale white skin and yellow/red hair! It's ghost not Devil! There's hardly any concept of Devil in Chinese traditional culture! GET YOUR CHINESE WORDS AND THE TRANSLATION STRAIGHT WHEN YOU WRITE THEM! And the reference of 'Westerners=ghosts' fact is not some rarely known difficult to access information it's quite widely known that Westerners were/are being referred to as 'ghosts' by the Chinese. **Book Dây Chuyện Thiên súa đở** OMG!!!! Yanluo is the name of the king of underworld in Chinese myth not a freaking demon! There're many demons ghosts and fox spirits etc in the Chinese myth but King Yanluo isn't a freaking demon he's an underworld deity you hear me!?(5. **Science Fiction Fantasy Dây Chuyện Thiên súa**)The annoying love triangle Don't even get me started with the love triangle! I know that it's a LAW for YA girls to have feelings for the total jerks instead of the good boys who at least can have a normal conversation with her without insulting her in every way possible!(6. **Dây Chuyện Thiên Sú ebookee** What a poorly designed plot twist! Everyone: Will Jem Charlotte Henry all of these supposedly seasoned Shadowhunters turned out to be complete FOOLS who are ill informed who can also be easily tricked and manipulated. **Dây Chuyện Thiên Sú book pdf** My goodness these people are supposed to be warriors who protect humans from the evil demon race but judging from the way how those Shadowhunters ran business I wouldn't even trust them to guide me to cross the freaking street! The ending. **Dây Chuyện Thiên Sú pdf download** *major plot spoiler warning* First is there anyone really feeling surprised that Nate turned out to be a traitor? Secondly is anyone out there really feeling surprised that de Quincey isn't the Magister? Also I would have respected Tessa more if she really carried out her plan to sacrifice herself so she wouldn't be used by the Magister! But no Tessa tricked her way out instead of carrying out her plan for real and I can't believe for a second the Magister would be fooled by her stunt! I don't believe it the same like I can't believe that You-Know-Who wouldn't personally check Harry Potter is dead for real with his own eyes and hands! As to the Magister himself he is so underwhelming as the arch villain. **Dây Chuyện Thiên Sú pdf converter** Plus why it's never explained that what kind of importance did Tessa's clockwork angel hold? *end of plot spoiler* At the end Will became even more obnoxious than Jace to a point that I was furious when I read what he had said at the end to insult Tessa. **Dây Chuyện Thiên Sú booking** Goodness having a painful past isn't an excuse to treat everyone like crap! Look at Jem the boy had been tortured and forced to witness the horrible death of his own parents but unlike Will Jem was still able to choose to be a decent human being instead of what he had experienced! Now I want to make two prediction before I read the sequels: *plot spoiler warning* (a) I dare say Will was cursed that if he cared for/loved someone else then his loved ones would be put in harms way ever since he was a kid. **Science Fiction Fantasy Dây Chuyện Thiên súa** (b) I dare say the Magister's great evil plan is to have Tessa Changing into Queen Victoria or a member of the Royal Family so he could take over British it's just pretty obvious. **Dây Chuyện Thiên Sú epubor** *end of plot spoiler* The Final Words: If you can tolerate annoying sometime hateful characters people acting like fools for most of the time and poorly delivered plot twists and 'surprises' then you might go ahead and read this book. **Dây Chuyện Thiên Sú ebook free download** Khi cô gái mười sáu tuổi Tessa Gray vượt biển tới Anh quốc để tìm anh trai cô không hề biết những chuyện kinh khủng đang chờ đợi mình tại Thế Giới Ngầm của London nơi ma cà rồng pháp sư và những sinh vật siêu nhiên khác ngày ngày đi lại dưới ánh đèn vàng vọt. **Book Dây Chuyện Thiên súa Bị Chì Em Hắc Ám** thành viên của tổ chức bí ẩn mang tên Câu lạc bộ Xứ Quỷ bắt cóc Tessa sớm được biết mình chính là một cư dân Thế Giới Ngầm với khả năng hiếm có: biến hình thành người khác. **Book Dây Chuyện Thiên sú giả** Trong hoàn cảnh không bạn bè người thân và bị săn đuổi Tessa đành nương náu dưới mái nhà của Thọ Săn Bóng Tối tại Học Viện London những con người thể sẽ tìm anh trai cô nếu cô chịu dung quyền năng của mình để giúp họ. **Book Dây Chuyện Thiên sú giả** Cô dần cảm mến hai người bạn: James người con trai mang vẻ đẹp mong manh có một bí mật chết người và chàng Will mắt xanh luôn xa cách tất cả... trừ Tessa. **EBook Dây Chuyện Thiên sú giả** Còn Tessa cô nhận ra mình sẽ

They ate it too Will reminisced. **EPub Dây Chuyện Thiên sứ mẽ** " _____ I also liked the romance in this book because the book needed it and I'm so glad that the author didn't make it a big deal like the reason of things happening because I'm tired with books where only true love and stuff like this triumph. **Quẻ sơn thiên đại súc** _____ "If no one in the entire world cared about you did you really exist at all?" _____ The story: This book is about a girl who travels to London to meet her brother but when she arrived there someone else takes her and keeps her as prisoner. **Dây Chuyện Thiên Sứ pdf download** *Pictures from the review are not mine I took them mostly from Google images or Tumblr* If you enjoy my reviews and want to support my writing journey please consider buying me a coffee. **Dây Chuyện Thiên Sứ book 1 pdf** Happy Reading:) 464 A lot of Goodreads friends that I have people I deeply respect and whose opinions I actually hold in great value gave this book lots of stars and glowing reviews. **Dây chuyện thiên sứ sm gia** It's nice to know that even though Cassandra Clare's Draco Trilogy ended years ago I can pick up ANY SINGLE ONE of her books that she has published and see not only Draco's character but all my old friends from the Harry Potter Fanon Universe with different names and physical descriptions but otherwise pretty much intact. **Book Dây Chuyện Thiên sứ mạnh** I don't think I've made it any great secret that I despise the writings of Cassandra Clare - so let me get the few good points out of the way so I can go back to imagining a world where authors like this are forcibly chained to their desks and made to read their own stories over and over again until they're sorry. **Science Fiction Fantasy Dây Chuyện Thiên sứ** I mean let's face it if the only good things I can say about this book are that she's made slight improvements so that I no longer feel the urge to commit seppuku by diving head first into a meat grinder then it's not high praise. **Book Dây Chuyện Thiên sứ** So what was wrong with this novel? Well other than the fact that the characters were almost CARBON COPIES of ones that I'd read in City of Bones Draco Dormiens Draco Sinister and Draco Veritas there was just so much to hate. **EPub Dây Chuyện Thiên sứ mẽ** The character building that they actually DO have only exists because she did the work years ago (on top of another author's pre-existing characters) - otherwise they'd be little more animated than the clockwork automatons that appear in this story. **Dây Chuyện Thiên Sứ ebook pdf** Don't get me started on how she wiki'd "Victorian Society" copy and pasted the information into word and then randomly injected it into the story via the characters parroting the cans and can'ts of the time period. **Kindle Dây Chuyện Thiên sứ mạnh** Whoever made that character needed to be shot hung wheelhailed and quartered - the whole works) but you know how they'd go somewhere and they'd be like "Hey guys I think something's going to happen! Hey look gang a perfectly inconspicuous diving mask... I WONDER IF THIS COULD BE A CLUE *WINK**WINK**NUDGE**NUDGE* FOR ALL THE FIVE YEAR OLD KIDS PLAYING AT HOME!" In Clockwork Angel Clare practically flags you down makes you come look VERY hard at her clue that is painted bright bright red and poorly hidden behind her back while she insists that it's not actually there and giggles every time she tries to make you not look at her ENORMOUS FLIPPIN' CLUE. **Book Dây Chuyện Thiên sứ khỏe** The whole concept of this book wasn't original! It was her looking at the Internet culture going "Huh... so people are really getting into steampunk eh? Hmmm... how can I cash in on this with as little effort on my behalf as possible?" She is recycling characters that she built on from the Harry Potter universe years ago. **Dây Chuyện Thiên Sứ pdf download** When she was accused of plagiarism for lifting entire paragraphs of text from other authors without referencing it she made a comment that

it didn't really matter because - hey isn't fanfiction just pastiche anyway? Well fine. **Book Dây Chuyên Thiên sứ mẽ** It was just fanfiction who really cares? But I'd think after all these years she would have moved on past her pastiche style of writing to something that she could actually claim as her own.

Downworlders and how you don't hate them. **Dây Chuyện Thiên Sứ booker** Elegant cheekbones a full mouth and long despite his attitude it's plain that he cares about all the people that live at the institute. **Dây Chuyện Thiên Sứ Science Fiction fantasy sa** He defended Charlotte when the Enclave talked over her and the way he takes care of Jem and worries about him is adorable, **Book Dây Chuyện Thiên sứ mệnh** He always tries to keep his distance but the harder he tries the more he seems to fail: **Book Dây Chuyện Thiên sứ khỏe** "Thomas! We must away at once to the nearest brothel! I seek scandal and low companionship: **Book Dây Chuyện Thiên sứ đồ** " "And I think that you do not understand that sometimes the only choice is between acceptance and madness: **EPub Dây Chuyện Thiên sứ mạnh** "Jem:"He was bareheaded which drew the eye immediately to his hair, **Book Dây Chuyện Thiên sứ mệnh** It was an odd bright silver color like an untarnished shilling. **Book Dây Chuyện Thiên sứ mạnh** His eyes were the same silver and his fine-boned face was angular the slight curve of his eyes the only clue to his heritage. **Book Dây Chuyện Thiên sứ khỏe** "I never realized this before but Cassie kind of "friendzoned" Jem in this first book! *lol* Now I know why I never saw him as Tessa's main love interest. **Book Dây Chuyện Thiên sứ mạnh** You just can't because in "Clockwork Angel" Clare wrote him as a friend and not as a lover. **Dây Chuyện Thiên Sứ ebook reader** Clare! ;-P It's not just the way he is described but also how his character acts. **Quẻ sơn thiên đại súc** He's no daredevil but a strategist and this automatically makes him a good listener and friend, **Book Dây Chuyện Thiên sứ** So of course everyone is rooting for Tessa and Will to hit it off: **Dây Chuyện Thiên Sứ pdf reader** XD Still despite Clare's efforts I can't help but love Jem as well: **Quẻ sơn thiên đại súc** He's such a gentle kind and patient soul and therefore the complete opposite of Will yet this is exactly what draws me to him. **Book Dây Chuyện Thiên sứ** Whatever the color the shape the design of the shade that conceals it the flame inside the lamp remains the same. **EPub Dây Chuyện Thiên sứ** " He smiled then seeming to have come back to himself slightly embarrassed, **Book Dây Chuyện Thiên sứ** To know when he means what he says and when he doesn't. **Book Dây Chuyện Thiên sứ** " "So why don't you stop fighting? Will and the others -""Would understand" Jem finished for her. **Book Dây Chuyện Thiên sứ mạnh** I have never wanted to be one at least she helped them out when they were attacked so there's that. **Dây Chuyện Thiên Sứ bookworm** "To say their relationship is complicated would be the understatement of the century. **Science Fiction Fantasy Dây Chuyện Thiên sứ** XD They care about each other deeply and they have an amazing chemistry yet Will is keeping Tessa at a distance and never lets her get too close to him. **Dây Chuyện Thiên Sứ kindle books** Well of course except of the one time he does and they kiss at the attic: **Science Fiction Fantasy Dây Chuyện Thiên sứ** I remember being as confused as Tessa when I first read this book. **Book Dây Chuyện Thiên sứ đồ** I couldn't fathom why Will would so obviously love her but still push her away: **Dây Chuyện Thiên Sứ Science Fiction fantasy sa** Sophie was right Will took her hand and pressed it to his cheek, **Dây Chuyện Thiên Sứ Science Fiction fantasy sa** "Tess" he said his voice thick and soft with desire and she leaned toward him swaying like a tree whose branches were weighted by snow: **Science Fiction Fantasy Dây Chuyện Thiên sứ** "Don't you wish to go home?"He didn't move his fingers still brushing her hand, **Dây Chuyện Thiên Sứ pdf converter** "Will?" he said without opening his eyes or ceasing to play: **Book Dây Chuyện Thiên sứ giả** He holds back and lets them sort it out and he never really NEVER takes advantage of Tessa's confusion and pain, **Book Dây Chuyện Thiên sứ khỏe** I swear he's a patient angel and he deserves the world and more! <33 "There was something about the way Jem looked at her she thought: **Book Dây Chuyện Thiên sứ mệnh** But nothing inside her nothing he saw or heard could bother or upset or disappoint him: **Tiêu chuẩn dây điện** ""I think he did" said Jem "and does love you in his way but you cannot concern yourself with that: **PDF Dây Chuyện Thiên sứ mạnh** It is as great a thing to love as it is to be loved, **EPub Dây Chuyện Thiên sứ đồ** ""Yet one you seem strangely able to bear" observed Jem with an amused flash of his silvery eyes: **Book Dây Chuyện Thiên sứ mạnh** "You were ill" Will said not looking at Tessa as he spoke: **Dây Chuyện Thiên Sứ pdf reader** "Conclusion:This series will always have a special place in my heart and I enjoyed this reread probably even more then when I read the book for the very first time, **Book Dây Chuyện**

Thiên sứ đỏ Three-dimensional characters awesome quotes meaningful conversations great bookish discussions a little bit of action and lots of humour made this a wonderful read, **Book Dây Chuyện Thiên sứ mẽ** What truly distinguishes it from all of the other books are the deep relationships though, **Book Dây Chuyện Thiên sứ** They add a good portion of misery and heart to the story and if we're totally honest we've to admit that we all love a tragic fairy tale every once in a while. **Dây chuyện thiên sứ sm lyrics** Don't you agree? ;-P 464 Some of you might know me for well this review, **Science Fiction Fantasy Dây Chuyện Thiên sứ** You know my most popular most liked one-star review of City of Bones? That one? So I guess the thesis of this review could be people change: **Dây Chuyện Thiên Sứ kindle unlimited** Oh no not me - I still think that book was a piece of shit because it really was, **Book Dây Chuyện Thiên sứ** The BIG thing that shocked me here was how incredibly addicting this was, **Dây Chuyện Thiên Sứ kindle cloud** Like I tore apart City of Bones but kind of the main thing about that book was that it was really boring. **Book Dây Chuyện Thiên sứ mệnh** This book on the other hand was better than entertaining - it was super compelling: **Book Dây Chuyện Thiên sứ mạnh** Tessa's conflict is about whether or not she is human and what that should mean and it is so quality. **Dây Chuyện Thiên Sứ books** I feel like I'm always bothered by the lack of agency for female protagonists from this era but no. **Dây Chuyện Thiên Sứ pdf download** The reason this character works is because she is highly motivated, **Dây Chuyện Thiên Sứ kindle fire 2** The reason this plotline works is because there are two separate really badass women in here both of whom express femininity in really different ways. **Dây Chuyện Thiên Sứ booklet** There's also the fact that Tessa is dealing with her own internalized misogyny but the narrative still kind of decries what's going on. **Dây Chuyện Thiên Sứ pdf editor** I literally don't think I have ever been this invested in a love triangle just ending up with them all dating each other, **Kindle Dây Chuyện Thiên sứ mẽ** I also am somewhat convinced that is exactly the dynamic Cassandra Clare was going for because like... it is really really there, **Book Dây Chuyện Thiên sứ khỏe** BUT I will say I was rooting for The Three Love Triangle People All Dating Each Other Endgame up until the ending and then Will, **Book Dây Chuyện Thiên sứ** I started this book highly empathizing with Will - even though I am currently so mad at him - but Jem has never done a thing wrong in his life and is good. **Kindle Dây Chuyện Thiên sứ khỏe** I will also say that while I highly enjoyed this book I kind of, **Book Dây Chuyện Thiên sứ** Maybe just see my reviews of Clockwork Prince and Clockwork Princess: **Kindle Dây Chuyện Thiên sứ mệnh** Blog | Goodreads | Twitter | Youtube 464 Where have I read this before? Oh right: Look me right in the eye and tell me this isn't the same book as City of Bones: **Book Dây Chuyện Thiên sứ mệnh** Normal girl is saved from demon by strange handsome boy with mysterious powers2: **Quẻ sơn thiên đại súc** Normal girl's name rhymes with hey and has three syllables in total3: **Dây Chuyện Thiên Sứ epubor** Girl discovers she has magical powers and isn't normal after all4: **Book Dây Chuyện Thiên sứ** Girl falls in love with two different boys *gasp* how could she ever choose?? 6: **Quẻ sơn thiên đại súc** At least one of these boys has to be relentlessly sarcastic/rudeNeed further proof? Will Herondale is the exact same person as Jace whatever-his-name-is, **Book Dây Chuyện Thiên sứ đỏ** Tessa Gray = Clary Fray except with books instead of paintbrushes, **Dây Chuyện Thiên Sứ pdfescape** Clockwork Angel is City of Bones with a steampunk paint job. **EBook Dây Chuyện Thiên sứ khỏe** Apparently this started out as Harry Potter fanfiction and it should have stayed as Harry Potter fanfiction. **Book Dây Chuyện Thiên sứ** No one was fooled when you changed Muggles to mundanes and Draco to Will CC: **Book Dây Chuyện Thiên sứ mệnh** Tessa is not like other girls only she is because her only personality trait is I'm in love with books which I'm feeling rather defensive about: **EBook Dây Chuyện Thiên sứ** Must be plain until they put on a beautiful dress and WOW is that really her?? She's so pretty!2, **Quẻ sơn thiên đại súc** Oh and it has to be super obvious who's going to win (it's usually the cocky jerk not the nice guy), **Book Dây Chuyện Thiên sứ đỏ** Your protagonist must shout out dramatic quotes every once in a while. **Book Dây Chuyện Thiên sứ khỏe** Behold: Tessa shouted I won't let you give me to the Magister! I'd rather die!The more empty bravado the better, **Book Dây Chuyện Thiên sứ** Your protagonist must hatefully shame ugly people at least three times throughout the novel, **Tiêu chuẩn dây điện** As seen here: It

hardly seems worth living a long time if you're going to look like that, **Book Dây Chuyện Thiên sứ** Everyone must be insanely obsessed with your YA protagonist to the point of giving up their entire livelihoods to save her: **Tiêu chuẩn dây điện** Will Herondale: An Essay The entirety of the readers on Goodreads are in love with Will Hairandtail: **Book Dây Chuyện Thiên sứ khỏe** And I want to throw him in the trash where he belongs. **Book Dây Chuyện Thiên sứ khỏe** He is possibly one of the rudest characters I have ever read about. **Dây chuyện thiên sứ sm gia** He's constantly mean to poor Henry calling him a fathead and an idiot despite the fact that Henry has only ever been kind to him. **Science Fiction Fantasy Dây Chuyện Thiên sứ** I have read numerous comments telling me that it's all explained in the next book! No, **Book Dây Chuyện Thiên sứ** Explain it in the first book otherwise he'll just seem like a spoiled jerk, **Book Dây Chuyện Thiên sứ đồ** And how am I supposed to know the color of the sky in Hell huh? I haven't written enough mean reviews for that to happen. **Book Dây Chuyện Thiên sứ** For reference here is the color of ice: And here is the color of the sky in Hell: Hm. **Dây Chuyện Thiên Sứ booking** Not to mention the fact that he abandons his friend Thomas for Jem as soon as they lay eyes on each other, **Book Dây Chuyện Thiên sứ đồ** And Thomas is expected to forgive him because Will is such an immaculate person. **Book Dây Chuyện Thiên sứ** Tessa Gray: The Fault in our YA Protagonists Will anyone notice if I. **Dây Chuyện Thiên Sứ bookkeeping** bash her over the head? No? Okay --Tessa is constantly shocked throughout this book because women are actually doing things: **Book Dây Chuyện Thiên sứ mệnh** Says the person who threatened to hit Will with a pitcher. **Book Dây Chuyện Thiên sứ giả** She likes to read--oh and she also likes to scorn Jessamine for being a shallow twit. **Book Dây Chuyện Thiên sứ khỏe** Yes Jessamine is a shallow twit but Tessa isn't much better. **Book Dây Chuyện Thiên sứ mạnh** The character with the greatest potential for an absolutely amazing character arc: **Dây Chuyện Thiên Sứ kindle app** The character who CC mocked at every turn and decided to stereotype to push Tessa up in the Special McSpecialson Seat: **Book Dây Chuyện Thiên sứ đồ** Then they deployed every single one of their members on a lead so vague it was practically nonexistent. **Dây Chuyện Thiên Sứ pdf full book** Bad Foreshadowing Terrible Similes and Infodumps: A Summary of Clockwork Angel I hate CC's writing: **Dây Chuyện Thiên Sứ ebooks** It's a combination of similes that make no sense cliché dialogue and obvious statements. **Dây Chuyện Thiên Sứ booking** Not to mention her foreshadowing which kind of reminded me of playing hide-and-seek with a little kid: **EBook Dây Chuyện Thiên sứ mẽ** They choose the most obvious hiding spot and then proceed to giggle whenever you get close feeling so clever and genius. **Quẻ sơn thiên đại súc** CC plays her cards outright and expects us to be shocked when the plot twist comes even though she's been foreshadowing it with a heavy hand from the very start. **Book Dây Chuyện Thiên sứ đồ** 5 stars 464 This book was fantastic! I am happy that I read it after TMI because I was able to catch the nods to those books, **Book Dây Chuyện Thiên sứ đồ** I love both Jem and Will and all of the other characters, **Dây Chuyện Thiên Sứ ebook pdf** I'm excited to start next book right away which is rare since I never binge read series: **Quẻ sơn thiên đại súc** 5 stars from me simply because I was also reading Tiger's Quest by Colleen Houck and comparing with Tiger's Quest Clockwork Angel looks like it deserves 1: **Book Dây Chuyện Thiên sứ mẽ** In order to save you some precious time I will tell you my honest reaction to Clockwork Angel right here right now: Thank you Shou: **EBook Dây Chuyện Thiên sứ mệnh** Also when I first opened the book I was faced by this description as well: Magic is dangerous-but love is more dangerous still: **Dây Chuyện Thiên Sứ kindle store** *sighs* What kind of soap-operatic shit is that!?! I hate this line instantly, **Dây Chuyện Thiên Sứ kindle direct** I don't think Clockwork Angel is the most horrible book which I have ever read--it isn't the action scenes and part of the plots are enjoyable to an extent. **Dây Chuyện Thiên Sứ Science Fiction fantasy sa** Tessa is Clary Will is Jace Jem is Simon and Jessamine is a bitchier version of Isabelle. **Dây chuyện thiên sứ sm lyrics** First we got the main girl who is called Theresa Gray---Theresa Gray---Clarissa Fray---Do you see the similarity here? Why can't Ms, **EBook Dây Chuyện Thiên sứ đồ** Clare come up with some other slightly more original names for her 'heroines'? Tessa's similarity with Clary doesn't just end here: **PDF Dây Chuyện Thiên sứ đồ** Clary was looking for her mother who was kidnapped by the villain and Clary soon realized her mother had hidden a

secret from her: **Tiêu chuẩn dây điện** Not only this Tessa's attitude is just as annoying as Clary's. **Dây Chuyện Thiên Sứ bookworm** Wow Tessa was badmouthing Brother Enoch behind his back when Brother Enoch was trying to save Tessa's own brother Nate's life: **Kindle Dây Chuyện Thiên sứ** Of course Tessa thought if you weren't beautiful then living a long life devoting yourself to gain knowledge and help people still don't worth it, **Dây Chuyện Thiên Sứ pdf editor** And of course the same like Clary Tessa had to possess a special ability which no one else but her can wield, **Book Dây Chuyện Thiên sứ đồ** As to the beautiful girl Jessamine she's a slightly more interesting but 100% more bitchy version of Isabelle Lightwood, **Book Dây Chuyện Thiên sứ đồ** (2) Troubling behaviors/attitude from main characters: When we first meet Will and Jem they were both tracing a demon, **Book Dây Chuyện Thiên sứ đồ** Then they found out a young girl was slayed by the demon but they hardly gave any reaction to her death: **Book Dây Chuyện Thiên sứ mệnh** I also noticed that whenever Tessa met someone the first and foremost thing she would notice about them is their appearance and she always judged them on how they looked: **Science Fiction Fantasy Dây Chuyện Thiên sứ** Here's one of the most outrageous example: Tessa was trapped in the den of the evil doers (Dark Sisters) and a stranger had just broken into her prison cell. **Dây Chuyện Thiên Sứ ebook free download** Jessamine Lady Belcourt etc) and looks down at ugly strange looking people, **EBook Dây Chuyện Thiên sứ** There's also one things about Clare's supposedly Victorian characters that bugs me a lot. **Kindle Dây Chuyện Thiên sứ mạnh** It's that for the life in me I can't believe the ladies and gentlemen in the high society would be talking so rudely and directly to one another, **Book Dây Chuyện Thiên sứ đồ** I mean even the rudest characters in Jane Austen's novels wouldn't talk in the same way like Clare's characters, **Book Dây Chuyện Thiên sứ đồ** Remember Jessamine? I had said that she is a bitch she's unbelievably rude to everyone when we first meet her especially to Tessa and Henry. **Book Dây Chuyện Thiên sứ khỏe** CAN THIS BE SERIOUS!?(3) Failed attempt at making the characters strong brave and likable After reading 5 Mortal Instruments books and Clockwork Angel I began to realize Ms, **Book Dây Chuyện Thiên sứ đồ** Clare seems to be unable to write likable characters (with the rare exclusions of Simon Jem Magnus and maybe Alec). **Quẻ sơn thiên đại sứ** When she tries to write brave strong girls but they always turn out rude judging self-righteous and unlikable: **EBook Dây Chuyện Thiên sứ đồ** When she tries to write complicated male leads with a haunting past she only manages to make them into cocky rude dickheads, **Book Dây Chuyện Thiên sứ** Clare tried to paint Tessa as the tough girl here's one of her attempts: Tessa shouted, **Kindle Dây Chuyện Thiên sứ mạnh** I fully understand Tessa would be suspicious of the Shadowhunters' intention. **Dây Chuyện Thiên Sứ ebook free download** But it bothers the hell out of me when Tessa never bothered to say one single simple Thank you to those who had saved her, **Book Dây Chuyện Thiên sứ khỏe** Is saying Thank you so difficult? Then Tessa complained in her mind how she hated having to be grateful when Charlotte borrowed her a dress to wear, **Book Dây Chuyện Thiên sứ** I for the life in me can't think of any worst action to draw attention and endanger Tessa herself Will and even Nate: **Dây Chuyện Thiên Sứ ebooks download** The more I read the book the more I realize they deserve each other: **Book Dây Chuyện Thiên sứ mệnh** He was still in good term with Thomas only because the latter happened to have the big enough heart to forgive him: **Kindle Dây Chuyện Thiên sứ** And I just happen to be a Chinese; which means I found Clare's twisting the little details of Chinese myth around a little bit difficult for me to stomach: **Book Dây Chuyện Thiên sứ mệnh** First when Tessa first encountered Jem he told her that Westerners like her and Will would be referred to as 'Yang quizi' in Chinese which meant 'Foreign Devils': **PDF Dây Chuyện Thiên sứ mẽ** There're even a few English novels mentioning this fact I recall one is called White Ghost Girls (<http://www>. **Book Dây Chuyện Thiên sứ đồ** Then the next thing I know Jem revealed that that his parents were murdered by a demon called Yanluo: **Dây Chuyện Thiên Sứ pdf filler**) The ending The ending of Clockwork Angel what a mess! People have been swearing up and down that the ending part of Clockwork Angel is where things finally getting good: **Dây chuyện thiên sứ sm lyrics** But all I can see is the Shadowhunters falling into the bad guy's trap foolishly and conveniently so Will can rush in for the rescue at the last minute, **Dây Chuyện Thiên Sứ Science Fiction fantasy sa** It looks like Clare

had dumb-ed them all down in order to create tension and threat. **Quẻ sơn thiên đại súc** Clare is able to write something original for her series instead of copying her old creation: **Dây Chuyện Thiên Sứ Science Fiction fantasy sa** For crying out loud Jace never suggested Clary to become his whore. **Book Dây Chuyện Thiên sứ** I'm confident that my guessing wouldn't miss the mark by far: **Book Dây Chuyện Thiên sứ giả** And Clare had wanted this to be the explanation of why Will was treating everyone like crap: **Book Dây Chuyện Thiên sứ giả** 464

Phép thuật đã nguy hiểm nhưng tình yêu còn đáng sợ hơn. **Science Fiction Fantasy Dây Chuyện Thiên sứ** Và Ông Chủ - nhân vật bí ẩn điều hành Câu lạc bộ Xứ Quỷ sẵn sàng làm tất cả để chiếm lấy quyền năng của Tessa cho riêng mình: **Quẻ sơn thiên đại súc** Trong cuộc hành trình tìm kiếm người anh họ đã khám phá ra một âm mưu nhằm tiêu diệt toàn bộ Thợ Săn Bóng Tối: **Dây Chuyện Thiên Sứ epubublishing** Dây Chuyện Thiên Sứ (Quân Đoàn Hủy Diệt #1) Five years later and my love has yet to subside 464 THIS WAS SO GREAT, **Dây chuyện thiên sứ sm lyrics** I'm so glad that I finally picked it up! I'm going to be doing video review/discussion for this so be on the look out for that soon on youtube, **Book Dây Chuyện Thiên sứ** As for Will Herondale being that I am a fellow emo I respect his self-loathing but as his foster mother I do not want him to feel that way. **Book Dây Chuyện Thiên sứ giả** Lastly I can see the fledgling tendrils of a love triangle and I am suffering: **Dây Chuyện Thiên Sứ pdf free** 464 _____ "One must always be careful of books said Tessa and what is inside them for words have the power to change us, **Book Dây Chuyện Thiên sứ đồ** " _____ 5 FULLY STARS! _____ "Only the very weak-minded refuse to be influenced by literature and poetry. **Book Dây Chuyện Thiên sứ khỏe** "

_____ The plot is beyond goodnessand it has every paranormal creature: **PDF Dây Chuyện Thiên sứ** The book is written in third person and who knows me knows that I don't like books in third person but in this one I didn't mind at all: **Dây Chuyện Thiên Sứ pdf reader** It was perfectly build and the story fits well with characterstheir personality with their actionsthe style of talking with the time book is written in. **Science Fiction Fantasy Dây Chuyện Thiên sứ** The bonding between characters was so natural and seemed quite real, **Book Dây Chuyện Thiên sứ mệnh** What kind of monster could possibly hate chocolate?"

_____ The only thing that I didn't like much was the vampires: **Dây Chuyện Thiên Sứ Science Fiction fantasy sa** This is my personal opinion and there is not a single problem in this book with vampiresthey are well described and everything but I don't like these creatures so much, **Tiêu chuẩn dây điện** And I would liked more if vampires were replaced with any other creature, **Book Dây Chuyện Thiên sứ đồ**

_____ "It's all right to love someone who doesn't love you back as long as they're worth you loving them. **Book Dây Chuyện Thiên sứ mạnh** "

_____ I usually talk in my reviews which part of the book was

I highly recommend this book to everyone, **Dây Chuyện Thiên Sứ ebooks online** Even if you loved or hated The mortal instruments you should read this one. **EPub Dây Chuyện Thiên sứ đồ** Friends of mine you know I adore you so please don't take offense at this review. **EPub Dây Chuyện Thiên sứ mệnh** So you probably shouldn't read this review if you love this book. **Book Dây Chuyện Thiên sứ mé** Because seven really long books just wasn't enough for them apparently, **Book Dây Chuyện Thiên sứ mệnh** It's nice to know that the snappy little one-liners and cheap hijinks are being recycled because they worked so well the first AND second time she used them: **PDF Dây Chuyện Thiên sứ giả** I no longer feel like gouging out my own eyes every single time she tries to describe something: **Book Dây Chuyện Thiên sứ khỏe** -There is no creepy incest in this book so my husband was spared walking in on me trying to choke the life out of a paperback novel, **Dây Chuyện Thiên Sứ pdfescape** How about her inability to write a storyline that is in anyway surprising? Reading one of her novels is like watching a dumbed down version of Scooby Doo, **EPub Dây Chuyện Thiên sứ** She insists on this behaviour until finally you pat her on the head tell her that she ALMOST managed to colour inside all the lines, **Dây Chuyện Thiên Sứ Science Fiction fantasy sa** She's recycling storylines conversations personalities plot-points ideas and concepts from all around her and she recycles her own stuff (what little there is of it) just as frequently. **EBook Dây Chuyện Thiên sứ giả** I feel no guilt in saying that she doesn't deserve to be published or to be earning the money that she is: **Book Dây Chuyện Thiên sứ** I will proudly complain about her books until she actually starts to care about the fudge that she's packing.You can find me online at {site_link} www.cassandraclare.twitter. Hello Goodreaders.You can find me online at {site_link} www.cassandraclare.twitter. I think maybe he had it half-right. challenging. Scientia est potentia. That's all nothing isn't it? Just words. You don't mean them. Tangled black hair and eyes like blue glass. "Exactly." Will lowered his voice. "Clearly I have been doing something wrong. Or not doing something wrong as the case may be." He banged on the side of the carriage."I think I don't understand your acceptance of his death. Cleverly done Ms. Jem is very down-to-earth and so much wiser than Will. You are that flame. "That's what I believe." "You're correct. But I'm surprised you know it. I know it. But I have had years to understand Will. "I know they would. But there is more to life than not dying. I am a Shadowhunter. It is what I am not just what I do. I can't live without it."Jessamine:"I am not a Shadowhunter Tessa. I despise everything about the Nephilim. She was startled by the feverish heat of his skin. "I can't ever go home."Tessa & Jem:His eyes were closed. "Will he never acts on it. Like he could see into and through her. Love is not something that can be wasted."Will & Jem:Will

shrugged. "The spoils of vice are a burdensome responsibility. Yes and you do too." "I hadn't noticed really." "Yes you have and I've noticed you noticing." Jem was smiling. "It's nobody's fault." He paused. "I just think you should be careful. You're not well still. Talking will just tire you out." "There are more important things than being careful. I mean Cassandra Clare. As in she got better at writing. I took over six months to read that book. And speaking of the idea of monsters vs. humans the portrayal of downworlders suddenly doesn't suck. Also love that Tessa is powerful as fuck. I love her. I'd give my life for her. That's a super hard dynamic to pull off but yes. Also let's talk about this love triangle. u Trash Man. Don't get me wrong there were still cheesy moments. But overall this was so compelling and fun. A Quality Read. liked it as fun trash? Weeeeeeeeeeeell. I forgot I had emotions. Oh wait you can't. Take a look at this plot sketch. 1. Girl discovers her parents were hiding something from her 5. Just with different hair and a better name. Let's go over this little checklist shall we? YA Protagonists. A Checklist: 1. Love triangles are always in. 3. Bonus points if they die at the end. 4. 5. Absolutely not. don't always make a lot of sense. Here are some of them. The color of the sky in Hell. Shards of ice. Deep and brilliant. None of those are actually consistent. accidentally. I quote: Women don't have fierceness. Consistency please. Take it or leave it. Tessa is not like other girls. No. It's not. Maybe Will was being angsty and that's why he's mad. Maybe Tessa was being an idiot and that's why she's. um. an idiot. Jessamine: A Cautionary Tale Ah Jessamine. And they were so surprised when it was a trick. And that's all. 0. 464 This book got 1.5 stars. How ungrateful. AND THAT'S OUR MAIN CHARACTER. He's a copy of Jace Lightwood/Wayland/Herondale/Morgenstern/whatever. That's it. I will get back to her later. Isn't it just bad for Ms. g. That kind of attitude is just hateful. Just like with Clary Ms. After all the girl had just been kidnapped. (p. Don't tell me Will isn't a horrible person. Just don't. [goodreads.com/book/show/76](https://www.goodreads.com/book/show/76).) the ghost girls in here mean young underage Western girls. to be frank is almost a photocopy of City of Bones. People are arguing whether Ms. And my answer to this question is: No she can't. Clockwork Prince Review: <https://www.goodreads.com/review/show>. Make it an OT3 you COWARDS. This was an arta fine peace of art. I read it in one day. Literally couldn't put the book down for a second. Everything is in the right place. Bloodthirsty little beasts. Never trust a duck. And so you know there is a love triangle. _____ "Will looked horrified. Beside that everything is perfect. As long as they deserve it. But I can't part this one." _____ The ending was phenomenal. And there was also a cliff in the epilogue. So I can't wait to read the next book. I really dig her. Will I liked this character for his sense of humor. Jem Jem is one of those characters you feel sorry about. I mean he at least deserved his addiction. Otherwise he is a person you should look after. Quite a role model. It's easier to know what they would do. It's awesome. And I really want to see this on screen. If you enjoyed this book then I'm really glad you did. It makes me happy when people enjoy literature. -She stopped using so many damn similes. And... that about it. Not even going there. It'll take too long to complain about that. I actually liked Scooby Doo (before Scrappy-Doo came along. But you know what? She can't. 464.
