Apart from the bully's language I'm afraid. My beef is with birthday boy not you. Pull the other one old man it's got bells on. Get off me you great oaf. it doesn't sound right when read aloud. This is where the most valuable lesson lies I believe. The story is very well written and is a joy to read. The illustrations are vibrant and colourful.

They really add to the essence of the story. I highly recommend it.
