

The Alexandria Affair (Captain Lacey, #11) By Ashley Gardner **The Alexandria affairisme** English I will confess to being a complete sucker for stories set in Egypt during the height of the (admittedly irresponsible and culturally ruinous) rediscovery and excavation of all the ancient sites. **The Alexandria affairage** • My reviews (all 4 stars) so far: [#1-The Hanover Square Affair](#) - [#2-A Regimental Murder](#) - [#3-The Glass House](#) - [#4-The Sudbury School Murders](#) - [#4. Hear and smell the scenes. **Alexandria affordable housing** More about the series can be found at [{site\\_link}](#) Ashley Gardner is the pseudonym for NY Times bestselling and award winning author Jennifer Ashley and nationally bestselling and award winning author Allyson James. **The Alexandria affaire balkany** This time his wife has had him bound it seems this mystery will just be about locating an artifact that James Denis wishes him to procure but of course it's not really a Captain Lacey tale if there's not a dead body. **The Alexandria affaire balkany** Throw into the mix the mysterious impostor who wants Lacey dead and a rogue henchman of Denis' and there's a lot going on in this novel! While I wouldn't have previously said that the London setting in most of the first ten books was getting stale this one definitely shakes things up a little bit by showing us a glimpse of what was going on in another part of the world during this time period. **The Alexandria affaird** It was very refreshing and I'm now kind of hoping Lacey will take other vacations elsewhere in future books (my fingers are always crossed that there will continue to be many more books to come in this series). **The Alexandria affairisme** He discovers though that the burgeoning market for antiquities has made Egypt's ancient history open for plunder bringing forth ruthless men who will not stop short of murder for the sake of a fortune. **Alexandria affordable apartments** The start of this book is so funny...I wondered how Ashley Gardner would get Gabriel on a boat while his wife was expecting in light of how excited he was about the baby. **The Alexandria affaire** The Alexandria Affair takes Captain Lacey to Egypt in the year 1818 and along this journey are dandy Grenville (without his odious mistress Marianne) bodyguard Brewster and footmen/brothers Matthias and Bartholomew. **The Alexandria affaird** ~ Listening to a 8:15 hours audiobook edition narrated by as the always perfect grumpy Captain Mr James Gillies ~« Captain Lacey's best friend Mr Grenville at last persuades him to join him in an expedition to Egypt to visit various ancient sites. **The Alexandria affaire meric** A girl from his first marriage years ago as a young soldier • Most often Lacey solves his crime cases with his best friend Lucius Grenville London's most famous dandy and sometimes also with the actress and his former neighbor Marianne Simmons yes yes !! English Absolutely riveting book. **The Alexandria affaire** This time Captain Lacey accompanies Grenville to Egypt - or rather he finds that his wife has arranged to have him abducted and plonked on board ship for although he has long wanted to see the land of the pyramids he didn't believe now was the most opportune time. **The Alexandria affairisme** There are several threads within this story; the inscrutable James Denis - crime lord extraordinaire tasks Lacey with recovering a lost manuscript supposedly from the library at Alexandria the untimely appearance of another Captain Gabriel Lacey - claiming our beloved Gabriel is an impostor how dare he! - causes confusion and mayhem; the search for ancient treasures - can't miss out on that; the odd murder being entombed alive and several rather serious clashes have you turning the pages with increasing rapidity. **The Alexandria affaires pc** Brewster - who I think is such a great foil to Gabriel and Grenville - Mattias and Bartholomew and although at first it seemed odd without Donata and Marianne the tale unfolded so quickly I barely had time to miss them: This is a trip with Lucius Grenville and has been planned for a year, **The Alexandria affaird** Lacey tries to back out but he is doing a little too much hovering so off he is sent: **Alexandria affordable housing** This was a time when any and everyone was digging up the past in Egypt and sending it out of the country. **The Alexandria affaire balkany** Lacey has

been asked to find a book from the original library in Alexandria. **The Alexandria affaire** All in all a really good story that adds more depth to the series, **The Alexandria affaird** This can stand alone but reading the series from book one is much more fun, **The Alexandria affaird** English Captain Lacey's next case of amateur sleuthing occurs while he's vacationing in Egypt. **The Alexandria affaire** There are a couple of more interesting (good and bad) second characters always popping up in every book, **Alexandra affaire conclue enceinte** • The writer Ashley Gardner is a pseudonym (or the opposite) for Jennifer Ashley: **The Alexandria affairiste** I seems to like most books and series by her pen - romances or not. **The Alexandria affaire ilan** Highly recommended! **Alexandria affaire meric** » The series author / pen-name my reviews: • There are so far 13 (soon 14) fulllength Captain Gabriel Lacey novels, **Alexandra affaire conclue enceinte** Historical crime whodunit's set a few years after the Napoleon war with a new mystery case to investigate in every book-part. **Alexandra affaire conclue** • Our main character Captain Gabriel Lacey is veteran of the Peninsular War in Regency era England, **Alexandra affaire conclue enceinte** A proud man with a big heart of good family but without any means. **The Alexandria affaire meric** In the start he needed both money and love and had an itching bad leg wound. **The Alexandria affaire ilan** His life was kind of a mess and he had a lot to handle: **Alexandria affordable housing** Since a couple of books is luckily our beloved Captain happily married to a beautiful and sissy 30 years old noblewoman Donata (by now pregnant with their first baby together): **The Alexandria affairisme** At last Lacey also found his French teenage daughter Gabriella, **Alexandra affaire conclue enceinte** I have read all the Captain Lacey Mysteries and each one is as good as if not better than the previous one. **The Alexandria affairage** Donata however was having none of it; so once Lacey has reluctantly accepted his fate off they go, **The Alexandria affaird** Some of my favourite characters are also along for the ride: **Alexandria affordable housing** A hotchpotch of other mercurial personalities add life and colour to this fascinating tale: **Alexandra affaire conclue** All of the characters are beautifully drawn and the descriptions of Egypt were so vivid I could see.

Gagged and put on a ship for Egypt. I loved the history that is brought out in the book. There is a lot going on in the book. Someone is still trying to kill him. He makes a new enemy. At first.

English Captain Lacey is one of my favorite characters. That first chapter was great. The whole this is a great ride. Unexpectedly their vacation becomes a nightmare. Someone appears to be stalking them and there's a murder. Looks like Alexandria is a lot like London. English Review written February 1 20193. . •
