

Challenges of Party-Building in Latin America

Nearly four decades since the onset of the third wave political parties remain weak in Latin America. Many parties have collapsed in much of the region and most new party-building efforts have failed. **Challenges of Party-Building in Latin America** Why do some new parties succeed while most fail? This book challenges the widespread belief that democracy and elections naturally give rise to strong parties and argues that successful party-building is more likely to occur under conditions of intense conflict than under routine democracy. **Challenges of Party-Building in Latin America ebooks online** Periods of revolution civil war populist mobilization or authoritarian repression crystallize partisan attachments create incentives for organization-building and generate a 'higher cause' that attracts committed activists. **PDF Challenges of Party-Building in Latin America ppt** A comparative political scientist his research interests focus on Latin America and include political parties and party systems authoritarianism and democratization and weak and informal institutions: **Challenges of Party-Building in Latin America loc login** Empirically rich chapters cover diverse cases from across Latin America including both successful and failed cases, **Book Challenges of Party-Building in Latin America** Challenges of Party-Building in Latin America
