Donald Trump as the 45th President of the United States is providing a steady stream of commentary satire and humor. In this pages we have captured some of the best of the jokes and present them so you can laugh along with the rest of the world, Political humor has been around since the beginning of time. It's our way of making sure that those in leadership roles don't get "too big for their britches" and to make ourselves feel that they are as flawed as us. We have always cheered for the underdog wanted the giant to have clay feet and to feel that we are equal or better than those in charge...at least in some ways. The BEST 150 + Trump jokes!

Ok some good mostly from celebrities!The Best 150+ TRump joked by Terry Taylor really doesn't have 150 jokes because many are repeats. There is a need to fix punctuation errors too. Several jokes are old. 3 stars are generous
