And whim. There's a special twist that made it sooooo good. There seems never to be one without the other. Ms. Morgan is right on in her philosophy and in her writing. Very descriptive. Ms. I really enjoyed this short story. The plot and characters are great. Her world is vibrant. Her characters are real. Her characters are so very easy to empathize with. Ms. I really enjoyed this short story. Her characters are wonderfully complex and full of life. I really loved Accused. This is a wonderful story of discovery. Ms. He's been President there for 2 years. She's so immature and spoiled. He just had to walk away from "them" for a while. She just won't stop calling or texting, he's flat out ignoring her now for months. Then a rescue call comes in that stops his heart, the months apart suddenly mean nothing. damn if he didn't still love her. of Seduction. they have a week to find out. You will enjoy all the stories in this collection. It's a love story that almost wasn't. Lori Hammond is a rich little daddy's girl. Lori loves Kevin and wants to be with only him. She's always been carefree irresponsible and immature. Kevin Preston didn't come from money. it's now a race against time. hypothermia vs Kevin. The most eligible bachelor in the city. Paige Gillespie works at a jeans store in the mall. It's Christmas after all. So this is their story. never mind the 12 days of Christmas. Why? Because it very well could be anyone's story. Thank god for Tyler her best friend and coworker. Ryder Storm is about to make the delivery of his life. home aka family. My favorite is Austin. \*\* Nicole Morgan
