Too Many Tribbles! (Star Trek) (Little Golden Book)After my fun discovery of a Little Golden Book's I Am Captain Kirk I absolutely HAD to get two more in this weird classic Star Trek series: Too Many Tribbles! and I Am Mr. **Too Many Tribbles! book** Once again our handsome hero Captain Kirk is pictured looking bemused but with perfectly coiffed hair this time clutching red pink and white tribbles (if you're familiar with this ST episode The Trouble with Tribbles you'll recognize it immediately). **Too Many Tribbles! booklet** Darvin (a secret Klingon spy who apparently had plastic surgery to look human) and in this picture Spock looks thoughtful while Kirk looks as if a Klingon had just grabbed his ass. **Whats wrong with my kindle** This still bothers me because if the Klingons hate the tribbles (and the tribbles screech whenever they come near a Klingon) what do these jokers think the Klingons will do to the tribbles? Murder them all by transporting them into space (or something else). **Too Many Tribbles! booker** I recommend this only if you are a classic ST fan; if you have no clue about the show vibrant colors and retro-style art even the youngest of readers can enjoy this story which introduced the cutest pets in the universe. **More trouble more tribbles** Too Many Tribbles! I loved my city.But I also loved to just sit and read.I found a temp job at DC Comics in midtown Manhattan. I answered phones sorted mail and did other small jobs. That led to a full time job in the Editorial Department. Spock.The cover on this book is worth the \$5 or so price. In all the pictures that feature Dr. McCoy he always looks grumpy. So okay it's lame but I still find this not funny
