

Kindness of Strangers (Life of Galen Book 3) By Marina Pacheco **The kindness of strangers book** 147 Kindness of Strangers Life of Galen Book 3 By Marina Pacheco Reviewed August 3 2021 Kindness of Strangers is the third book in the Life of Galen series and picks up where book two left off. **The kindness of strangers website** After spending time with his family Brother Galen his companion Brother Alcuin and Niclas the carter are back on the road as they make their way to Lundunburg and King Aethelred's court. **The kindness of strangers imdb** With Vikings closing in and knowing he is physically unable to go any further Galen drags himself to a pile of logs where he attempts to take shelter but is certain he won't make it out alive. **The kindness of strangers book** Surrounded by strangers (a situation that never sits well with the intensely shy Galen) and with the possibility of a second Viking raid imminent Galen struggles to understand what happened. **Kindness of strangers strabane** 147 „Kindness of Strangers“ by Marina Pacheco is the third book in her “Life of Galen” historical mystery series set at the end of 10th Century Anglo-Saxon England and featuring Brother Galen an intelligent somehow shy young monk. **Kindle Kindness of strangers book list** “Kindness of Strangers” is set in 997 AD Galen and Alcuin are tasked to produce an illuminated book in honor of the king but due to Galen fragile state they delayed and fall in the hands of raiding Vikings they survive the attack by which casual observer come to see as a miracle. **The kindness of strangers book** Mariana Pacheco portrays 10th Century England in a fully realistic way far away from romantic conceptions and make believe scenery this is an thrilling tale about a very much real young man dealing with the consequences of his own role in a life path he has no real choice in while still fighting to regain as much agency as possible. **The kindness of strangers book** A well-written carefully research and successfully crafted historical roman that follows closely the path carved by Ellis Peters' Cadfael and Peter Tremayne's Fidelma of Cashel while differing from the lighter “whodunnit” formula to center in Galen's biography as an anchor point to highlight the historical framework of the tale. **The kindness of strangers book** Did Galen perform a miracle? What does it mean for him and the people around him if he did? Will it even matter if they are overrun by vikings? Kindness of Strangers is the third book in the absorbing Life of Galen historical fiction series. **The kindness of strangers book** This is taking considerably longer than I'd anticipated!
