

The White Guns By Douglas Reeman **The White gunsynd** He also wrote a series of novels about several generations of the Blackwood family who served in the Royal Marines from the 1850s to the 1970s and a non fiction account of his World War II experiences D Day : A Personal Reminiscence (1984). **Book The White gunstock Series:*** {site_link} Blackwood Family {site_link} Marea Baltică are toane și e plină de primejdii la fel de variate ca și țările care o înconjoară - de la Finlanda în Nord la coastele mai blânde ale Danemarcei și la curenții agitați ai Strâmătorii Kattegat care o despart de Suedia. **The White Guns book** Motoarele navelor funcționând la turație redusă astfel încât grupul să păstreze în permanență contactul vizual huruiau pe apă iar atunci când un petic ocazional de pământ se ivea la tribord echipajele aflate la posturile de luptă auzeau ecourile reverberate de țărâm. **Book The White guns international** Era un loc în care foarte puțini dintre ei mai fuseseră înainte și numai cei suficient de bătrâni ca să-și amintească zilele de pace puteau să recunoască numele de pe hartă. **The White Guns bookworm** Căci acum era mai 1945 și după aproape șase ani de război navele britanice pătrundeau în Baltica unde până atunci numai câteva submarine cutezătoare reușiseră să-și croiască drum pe băjbâite it just wasn't interesting to me and I didn't want to continue. **The White gunsoul** This novel is different—based presumably on Reeman's own experience in Kiel after the German surrender it's a vivid and believable portrait of the devastation of Allied bombing the degradation of defeat the danger of first contact after surrender and the difficulty of coming to terms with the Soviets as they were working to divide Europe. **The White Guns book** The bulk of the novel is a snapshot of a few months in Kiel as a secondary character—an unlikeable-but-principaled naval commander—pushes the lead characters to build trust with their former enemies and to repair a destroyed seaport so that the British will be able to ship in enough food blankets and other supplies to keep the already-malnourished civilian population in the British Occupation Zone (barely) alive during the coming winter.

Ca să-și îndeplinească misiunile speciale împotriva convoaielor de coastă inamice, **The White Guns epub.pub** English I picked this up a couple of years ago for \$0: **Book The White guns international** In some ways he expands on a theme from Iron Pirate - with the treatment of (now) post-war Germany. **Book The White guns n** Turns out Reeman was on the Kiel approaches on VE Day on an MTB - and worked with the German Navy (or what was left of it) for the first six months of peace: **Book The White gunsmith** So I'm prepared to accept that Kiel in May 1945 was exactly as Reeman describes: **Book The White gunsmith part** Of the ten of so Reeman's I've read - this is the one that's closest to high art; and the one I've re-read the most. **The White Guns pdf merger** Also - it is absolutely a love story: which is why it has probably such a low rating compared with his more traditional ripping yarns: **EPub The White guns international** I've previously liked Reeman's books but this one was quite pointless: **Book The White gunsmith part** There wasn't really much of a continuity or story line and there were rather too many characters to focus on, **Book The White gunsmith part** In the end.

Best \$0.50 I've ever spent on Reeman. So very different for him. There's also no 'imagination fleet' here - which helps. English I read about 1/3 of it before dn'ing it.
