

Love is Fatal By Jennifer M. Miller **Love is fatalne** This Novella provided me with a glimpse into the past as it told the story of Gio and Aoife Neal's parents falling in love and the inevitable rupture it caused within the Castellano family. **Love is fantasy manga** I enjoyed that in the end Aoife was able to finally get something she wanted in her life even if the rest of her family didn't like the idea and had other plans for her:

J.J Wyatt- I loved this novella. We got to see how Neal's parents got together. It has very Romeo and Juliet vibes. Aoife just wants one night where she can be free .her father is head of the Irish mafia the Flynn family . Short and to the point and full of ups and downs. Definitely recommend. Read Before it is gone forever. Love is Fatal This review is for Trust Me. This short story was great! I felt so sorry for the wife. Love is Fatal Love is Dangerous. Deadly. Magnetic Seduction. Charming Allure. Steamy Temptation. This limited edition collection will keep you up all night. When the man you knew and loved does the wife dirty. Either way I really liked this story. It was fun to find out how Neal's parents got together. Awesome job to AJ Wyatt!. Theyre kind of her idols. They're kind of her idols
