The unfathomable grace of the face that I was looking for Today I have found you and those who laughed and scorned me yesterday are sorry that they were not looking as I did I am bewildered by the magnificence of your beauty and wish to see you with a hundred eyes My heart has burned with passion and has searched forever for this wondrous beauty that I now behold I am ashamed to call this love human and afraid of God to call it divine Your fragrant breath like the morning breeze has come to the stillness of the garden You have breathed new life into me I have become your sunshine and also your shadow My soul is screaming in ecstasy Every fiber of my being is in love with you Your effulgence has lit a fire in my heart for me the earth and sky My arrow of love has arrived at the target I am in the house of mercy and my heart is a place of prayer 64 The Love Poems of Rumi.
