

Love Means... No Shame (Farm, #1) By Andrew Grey All of chapter one is like that just UDSS remembering random hook-ups and stuff and he makes a big deal out of the fact that he went to bed on a Sunday night for the first time in months without going out trolling and getting drunk. **EPub Love Means... No shame. com** So when we got this news it was like as a reader should we care that a slutty stranger got sad news about another stranger? It felt like instead of developing a character and creating an emotional connection with UDSS instead the author just used a dead relative knowing/hoping most readers will care from personal experience.

### **Love Means... No shamening**

That's all my personal opinions from reading this but seriously I relate to UDSS about as much as I'd relate to Paris Hilton or any 'super slutty vapid random stranger'. **Love Means... No shameron** Then when he moves back home he isn't slutty but its more from lack of options like seriously after a couple weeks he is shaking because he hasn't been laid for a couple weeks. **Book Love Means... No shameik** It is like we learn about the horses and feeding them and how they fowl and we have a seen where we watch Eli stick his arms up a horses backside to turn the fowl. **PDF Love Means... No shameful** Like seriously how many times did I read about them brushing their horses in excruciating detail? Or how many times did I read about them cleaning up after eating or cleaning the stalls? How many different people did I read about getting riding lessons? I lost count but it was way too many to keep me entertained. **Love Means... No shamez meaning** Then when UDSS tells Eli he was a whore and had sex with a different guy each night and Eli gets insecure he decides to reassure Eli by fucking him? Like seriously you say you're the biggest slut and somehow doing what you have done for more strangers than you remember is supposed to make Eli feel reassured? Not only that after a month and a half you know Eli is poorly educated he is referred to as a boy a lot and probably has never heard of a condom but UDSS fucks him without a condom anyway and doesn't even mention condoms or safe sex to Eli. **Kindle Love Means... No shameless** Poor Eli really got shafted ending up with UDSS What was the deal with Len or any of them mourning the dead dad? It skips two weeks after he dies and everyone seems to be over it. **PDF Love Means... No shameless** By the end of the book Len is even already dating again after his lover of 20 years just died a few months ago? Like seriously after 20 years it only takes a few months to get over it? In conclusion I wouldn't have even finished if it weren't for the M/M Group bingo challenge. **Love Means... No shameville** The story was so boring and mostly revolved around mundane tasks like cleaning.

## **Love Means... No shamet basketball**

Because family and community intolerance and ultimately that inner voice of responsibility call to them both to do the right. **Book Love Means... No shameik** Despite the decision that they have to make it is a bitter pill to swallow - but it is one they have to live with as more than just Geoff and Eli will be affect by the word of the few. **Love Means... No shamez lyrics** I was attracted to the book by the cover - there is a wholesomeness about the cover that is such a difference from the usual crop of overdone sex up men that immediately I wanted to find out if this transferred to the pages between this book. **EPub Love Means... No shameik moore** The mystery was so well time and well played that when the DAMN moment was reveal - I was let down that I was not going to know more about this big mystery - but I soon realise that another book LOVE MEANS... COURAGE was out and I am on my way off to get...Bottom lineEvery now and then you read an authors work that leaves you thinking that you should have known about the author months ago or even years ago - but for me I read this book at the right time as I have a decent amount of back history to get through with this author. **Book Love Means... No shameik** Each character in this book made a name for themselves.

## Love Means... No shamening

Each scene was written with attention to detail and to get me involved in the life of the ranch and the people on the ranch. **Book Love Means... No shameful** I have read Amish books before and even met a few - and I thought that aspect of the book was done with such class and style and this more than anything else added that touch of realism to the book. **EBook Love Means... No shameful** Mr Grey is an author that has pushed his way onto my auto buy list and it was a pleasure to have read LOVE MEANS... NO SHAME 9781615810574 I think this is a wonderful book. **Love Means... No shameville** The MC (I already forgot his name) is an Uber Slut (I think that means like extremely promiscuous whorey tramp skank no standards his man-hole is so loose it's like throwing a hotdog down a hallway) and to top that off he is an Uber Drunk Driving Slut or UDDS for short (please note MC will now be called UDDS from now on in this review). **Love Means... No shamex t shirt** It starts off with UDDS waking up with a stranger after drinking too much and driving to stranger's house where he had sex Raine comes to visit he asks Eli a couple questions and UDDS thinks he better listen because he didn't know any of this stuff about Eli. **Love Means... No shameu lyrics** Like seriously you've known him a month and a half and are in love with him but you didn't know he only went to Amish school until he was 14 or any of the other stuff Raine asked him an hour after they met? Yeah cooking horse care riding really uninspired sex and blah blah it went on and on. **Book Love Means... No shameless cast** And best of all there are three more books in this series! I highly recommend it to all who might enjoy a simple straight-forward romance between two men who live a quiet rural Michigan life. **PDF Love Means... No shameik** 75 Stars Geoff is living the life of a young man with few responsibility and full of hormones - and with all the tail he can get in the city he's living the life of riley. **Book Love Means... No shameik** On closer inspection Geoff realises this is not a boy but a young man and quickly also learn that he is on a year out from home - what could Geoff do but offer him a job of course. **Love Means... No shames meaning** Things are not as wonderful however no matter how much they would like to think so everything about LOVE MEANS... NO SHAME is geared at the heartstring and in such a way that I felt like I could reach out and touch these characters. **Love Means... No shameous** He has been blessed to have grown up in an environment that allowed him to grow up into the man that he wanted to be he loved he laugh and he was happy on his terms. **Love Means... No shameville lyrics** The one thing that Geoff has never had to deal with is a death in his immediate family and with his dad's death it brought alot of home truth home to him - it was time to be a man. **PDF Love Means... No shameik** His sense of responsibility kicks in and as much as he tries to deny what he was feeling Eli is like the little train that could and before long he was everywhere and everything to Geoff. **Love Means... No shameos** At this point I fell in love with these two Grey gave them life and wrapped them in so much layer of wanting and needing each other but also gave them solidity to have their feet firmly planted in reality so they knew right from the start that honesty is the best policy and also when to "fish or cut bait". **Love Means... No shamez ladhani** The main protags were dynamic in their personality - no two could have been more different and yet so alike in how they were brought up and their whole approach to tackling life's challenges and ultimately the responsibility that they must take on. **Love Means... No shametm** The support cast had their own little ball a rolling - and I admit I was hard press to keep up with the love life of Geoff and Eli because the side stories were angsty topical and down right nasty in some scenes. **Book Love Means... No shameless** I like the fact that Grey - wrapped the mystery of the angst and nastiness of the book nicely into the plot and I has another "DAMN" moment when all was reveal - that was a real surprise. **Kindle Love Means... No shameik moore** Lowlights Very little to be honest... There were scenes that I probably would have liked Grey to expand on that's why the death of Cliff at the beginning of this book had me especially sad. **Book Love Means... No shameful** Geoff who came back from Chicago (where he had worked as an accountant during the day while he had spent his nights with meaningless one night stands) to take over the farm when his father died and Eli a sweet young and innocent Amish man. **Book Love Means... No shameless season** Despite their mutual

attraction Geoff is determined not to become involved with him but Eli has discovered that Geoff shares his feelings and begins to court him neatly capturing first Geoff's attention and then his heart. **PDF Love Means... No shameik** Their budding relationship is threatened by closed-minded gossip relatives and the society at large a whole new world to Eli and he must decide whether to return to the community his family and the world and future he knows or to stay with Geoff and have faith in the power of love. **Love Means... No shame t shirt** But all in all: Nothing new here the book and the story were just OK but what bothered me (besides from this story not being very original new and inventive) was that the writing style often seemed well quite simple. **Love Means... No shame t shirt** One morning he finds a young Amsih man sleeping in the barn easy romance that throws a little texture in by way of bigoted attitudes but really those attitudes impact very little in the main relationship. **Book Love Means... No shameless season** This is mentioned several times and even alluded to the reason that Geoff Raine and Eli are attacked in town yet other than Geoff's decision to cut the aunt out of his life no action is taken or mentioned. **EPub Love Means... No shame. com** Then this is a spoiler but all happens in chapter one and two so not big spoilers. **Book Love Means... No shameful** At the end of the chapter he gets a call that his dad died. **Love Means... No shamey t shirt** We know nothing about his dad and UDSS has never even mentioned the dad all he thinks about are the anonymous men he lets fuck him anywhere anytime, **Love Means... No shameworthy** It is pretty slow going at 31% nothing has happened except his dad died. **Love Means... No shamews** This stuff all bores me since there has been no plot or romance yet. **Book Love Means... No shameful** If this was a How To Guide to Farming or Horse I would say it is right on target.

## Book Love Means... No shameik

But as a MM Romance it is just not that good, **Book Love Means... No shameless season** Note those are just my thoughts up to 31% I need to finish the book: **Love Means... No shameexpress stallion** A lot of the book felt like I was reading a guide to maintaining your horse farm, **Love Means... No shamewing** UDSS meets Eli and then it skips a month and they are in love. **PDF Love Means... No shameless cast** I guess developing the relationship wasn't important compared to learning about planting crops and harvesting them, **Love Means... No shameron desktop** Apparently we weren't the only ones to learn nothing about Eli because when UDSS friend.

## Love Means... No shameville

That sounds like a real deep connection, **Book Love Means... No shameik** You can only assume UDSS probably never uses condom so he didn't think of it: **Love Means... No shamezilla** This is my first book by Andrew Grey and it is not going to be my last: **Love Means... No shamewing potion** YES - it did.

## PDF Love Means... No shameless

But that is just me not wanting to let the characters go: **Kindle Love Means... No shameless** LOVE MEANS... NO SHAME is a keeper and for more than just the cover: **Love Means... No shames lyrics** I read it a few years ago and since then several more times. **PDF Love Means... No shame. com** I think everyone who deals with prejudice and fear should read this book, **Love Means... No shamez meaning** It was a book that meant a lot to me the first time I read it. **EPub Love Means... No shameless cast** 9781615810574 This was a sweet but also very sad read! I read this after Love Means. **Love Means... No shamerrific** Courage (the story of Geoff's dads Cliff and Len).

## EBook Love Means... No shameless cast

Eli: **Book Love Means... No shameless cast** Eli is on his rumspringa and Geoff offers him a job and a home: **Love Means... No shamexs** I liked seeing Eli learning about the English and trying new things, **Love Means... No shamenance** Geoff and Eli were good together and apart from some angst towards the end it was a good story: **Love Means... No shameville** 9781615810574 Parts of this book are interesting with a deep emotional connection but unfortunately the very uneven pacing drags the action and length of the book out. **Love Means... No shamez** Also most of the conflict is resolved and told off page so the reader is unable to experience some of the problems and emotions as the characters do. **Love Means... No shames meaning** Mostly this is a sweet.

## PDF Love Means... No shameik

This book started out bad. **Love Means... No shamey t shirt** I liked Eli and Len and the ranch hands but I never warmed up to UDDS: **Love Means... No shameu lyrics** It seemed like the author tried too hard to make him perfect and to me he was just bland. **Love Means... No shamers** 9781615810574 As a guy who grew up in rural Michigan but lived in Manhattan for 20 some years this book had a special resonance for me, **Book Love Means... No shameik** The protagonist returns from a big city to his rural roots and finds love in an unexpected way. **PDF Love Means... No shameless** The characters are well drawn and easy to care about especially the characters of Eli and Geoff, **Love Means... No shamete** This is an engaging story that quickly pulls you in and before you know it you're reading about characters that you truly care about, **Love Means... No shameth** I've definitely found an author I'm going to read more of, **Love Means... No shameo lyrics** The writer is a good storyteller and while not in the same class as Walt Whitman or F. **Book Love Means... No shameful** Scot Fitzgerald his prose is good enough to tell the story and to stay out of the way of the main intent: **Book Love Means... No shameik moore** The bubble burst on Geoff life of burning the candle at both ends when his dad dies, **Book Love Means... No shameik** Coming home to the ranch is a lot of things now for Geoff - but most importantly it's the fact that his dad is no longer there - that is one of his dad's, **Love Means... No shamex tv** He has two and with a few carefully placed words and some home truth he soon agrees to stay and take control of the ranch. **PDF Love Means... No shameless cast** It's hard work but Geoff is strong and his heart is in it - so it becomes a labour of love to work the farm with his dad and the men who work for them. **Love Means... No shameout** When all seem to be going well except for a minor family incident - Eli a young Amish boy turns up in the barn: **PDF Love Means... No shameik** Thus begins a point in both their lives where something magical happened to them and they are lapping it up and enjoying it as much as they can. **PDF Love Means... No shameless** Geoff is the main protag as the whole book is centred around him. **Book Love Means... No shameful** Manning up comes for Geoff in different forms it starts off with tackling the family bitches then it was dealing with the farm and his dad: **PDF Love Means... No shameik** All of this he takes in his stride but the biggie comes in the shape of Eli the scared Amish young man that he finds in his barn. **Love Means... No shamet landry** Highlights This is one of those books that once you click the last page - you think WOW - yup that the feeling I had: **Love Means... No shames makovsky** There was a simplicity to this book that made it a good read for me - it had none of the over the top lifestyle or personality. **Love Means... No shamenance** These characters were real they got up worked came home and went to bed - got up the next day and did it all again: **Love Means... No shamen band** When the chance to grab a little happiness came their way - I was most definitely on the sideline waving my pom pom's for Geoff and Eli: **Book Love Means... No shameful** Two very different men who had found the love of their lives in each other, **EBook Love Means... No shameik** I really enjoyed reading this book even though I think I cried during the half of it. **PDF Love Means... No shameless cast** 35

stars 9781615810574 Geoff is in the city living the gay life to the hilt when his father's death convinces him to return to the family farm. **Love Means... No shame** Discovering a young Amish man asleep in his barn Geoff learns that Eli is spending a year away from the community before accepting baptism into the church, **Love Means... No shame t shirt** Story and its message are nice/OK --> Love conquers it all! plus Noone needs to feel ashamed about loving and caring for another human being. **Love Means... No shame wing preset** That is of course very true and one can just hope that all these ignorant and intolerant people out there will figure this out rather sooner than later. **Love Means... No shame os** Sometimes it feels like reading an (school-)essay written by a teenager. **PDF Love Means... No shame. com** Furthermore the characters are two-dimensional if not even one-dimensional. **Love Means... No shameing** The great problem/twist at the end which was supposed to be so tragic and hurtful didn't convince me at all, **Book Love Means... No shameless season** At some point I didn't even care anymore if the characters would end up together and live happily ever after or if they would die a miserable death. **Love Means... No shamez lyrics** [I know I'm a bit harsh today ;)]In my opinion Andrew Grey is not the most talented author there is, **Book Love Means... No shameless season** 9781615810574 I loved this book and the whole time I was reading it I was patting myself on the back for buying 3 others of his at the same time. **Love Means... No shamews** 9781615810574 After his father passes away Geoff goes back to take over the running of the family farm, **Book Love Means... No shameik** The writing is average with some painful editing mistakes and awkward prose choices but the strong relationship may draw some readers in enough to ignore those problems, **Love Means... No shame** Geoff returns to his family home after his father dies from cancer, **Love Means... No shameville** Geoff must now run the farm and in doing so he discovers a local Amish man sleeping in the barn. **Love Means... No shameville** The young man Eli is on a year away from his community and accepts Geoff's offer to work and live at the farm. **Kindle Love Means... No shameful** Eli and Geoff have a strong attraction that neither fights too hard but soon Eli realizes his actions may have deep ramifications on his Amish family: **EBook Love Means... No shameful** The story is decent enough but there is very little actual action. **Book Love Means... No shameik moore** Geoff returns to the farm and he and Eli date rather quickly, **PDF Love Means... No shame. com** They're together for a short time before Eli realizes that his Amish family may be affected by his actions and chooses to return to the community: **Kindle Love Means... No shameful** Once there though Eli is unhappy and does return to Geoff: **Love Means... No shamers** Unfortunately the story is told in third person POV from Geoff's perspective which greatly limits the potential of the book. **PDF Love Means... No shame. com** What motivates Eli how he deals with the new culture community his sexuality and the problems inherent against his upbringing is never brought into the story at all. **PDF Love Means... No shameless** Instead Eli is very easy going loving and accepting of everything: **Love Means... No shamezilla** His reasons for returning to Geoff and how he can reconcile the potential problems to his family - the very reason he left in the first place - is never resolved: **Love Means... No shame** Instead there is a vague statement that Eli will deal with that if it happens. **Love Means... No shameman** Considering the concerns were enough to leave the love of his life Geoff this weak rationalization felt ineffectual and unsatisfying, **Love Means... No shamepaul** Furthermore the emotional and intense scenes seemed to be brushed over quickly while day to day activities are drawn out almost to the point of boring, **Love Means... No shame lyrics** The prose is made up of short quick sentences lacking description but stating action. **Book Love Means... No shameful "** This is punctuated with often awkward prose and dialogue which contradicts with word choices. **PDF Love Means... No shameik** There are also several conflicts brought up that aren't resolved such as the aunt's damaging gossip. **PDF Love Means... No shameless** Clearly if this gossip is enough to provoke violence and potentially affect Geoff's farm then something else must be done. **Love Means... No shamez lyrics** However nothing is mentioned and if action occurs it is off page: **PDF Love Means... No shame** Other examples such as this create the feel of unimportant details added in for texture and mild conflict, **Love Means... No shamez alibhai** The relationship between Eli and Geoff is mostly conflict free and easy as they slowly and gradually explore the physical side

of their relationship while going about their lives: **Love Means... No shame** There is the small problem of Eli leaving which while an emotional scene is muted by the lack of intensity and the easy off page resolution: **Love Means... No shame** Overall I was mostly bored reading this story and felt the writing didn't help much unfortunately. **PDF Love Means... No shame. com** The pacing is inconsistent with extended scenes of mundane detail and often barely skimming by any emotional tension, **Book Love Means... No shameless season** The ending while sweet is completely unsatisfying with an off page resolution and no additional insight into the characters choices and thoughts: **Love Means... No shame with you** The majority of any action is told rather than shown and thus the reader is presented with a story that holds no connection and no energy. **Love Means... No shame express** As a sweet bland romance perhaps this will appeal to some fans but the lack of tight writing and interesting dialogue is enough to recommend better choices: **Book Love Means... No shameful** 9781615810574 For all those who've not seen Weird Al's 'Amish Paradise' - enjoy! <https://www>, **Love Means... No shame out** Geoff leaves Chicago to return to the family farm upon the death of his (gay) father, **Love Means... No shame rific shine** He falls for Elijah a 20 year old Amish boy who is spending a year away from his community, **Love Means... No shame wing** The way he looked in the saddle the way he smiled the way those eyes danced when he was happy. **Love Means... No shame z lyrics** Geoff had always had good gaydar but where Eli was concerned he didn't have a clue[1]

Probably protected but who knows with UDSS. Yeah that's all the development we have for UDSS. I have finished the book! I was not impressed with it. It never really got better IMO. It seemed to focus on Everything but the relationship. I love the message. I love the characters. And I love Andrew's style of writing. I own it in paperback. I think Eli's character is my favorite. I loved his tenderness. I think Andrew spells out LOVE in a poignant way. The theme of no shame stupid out in a personal way. I am truly grateful for Mr. Grey's thoughts on coming out. And following your heart. Eli and Geoff are one of my favorite couples. Over time the two fall in love. The prose is well crafted and the story pulls you in. 9781615810574 4. So here we got the story of Geoff and Eli. Love Means. No Shame (Farm #1) 2 stars at best. And I actually laughed about the resolution. Very convenient and easy. But maybe that's just me. hm. Really good book y'all. Really. Such as "Geoff walked to the door. He looked outside. [youtube.com/watch?v=lOfZL](https://www.youtube.com/watch?v=lOfZL). 3.5 stars here. A somewhat bland but likeable m/m romance. 'If he were honest with himself he really did like Eli. a lot. Fuck I've got it bad. Now if I just knew how he felt.' 9781615810574
